NINETEEN SIXTY SEVEN

A large, stylized graphic element, possibly a stylized letter 'A' or a building facade, is positioned below the title. It is composed of thick, light-colored lines forming a complex geometric shape. The design includes a central vertical element, a horizontal bar, and a large, open rectangular space. The overall style is modern and architectural.

VOLUME XXXIV

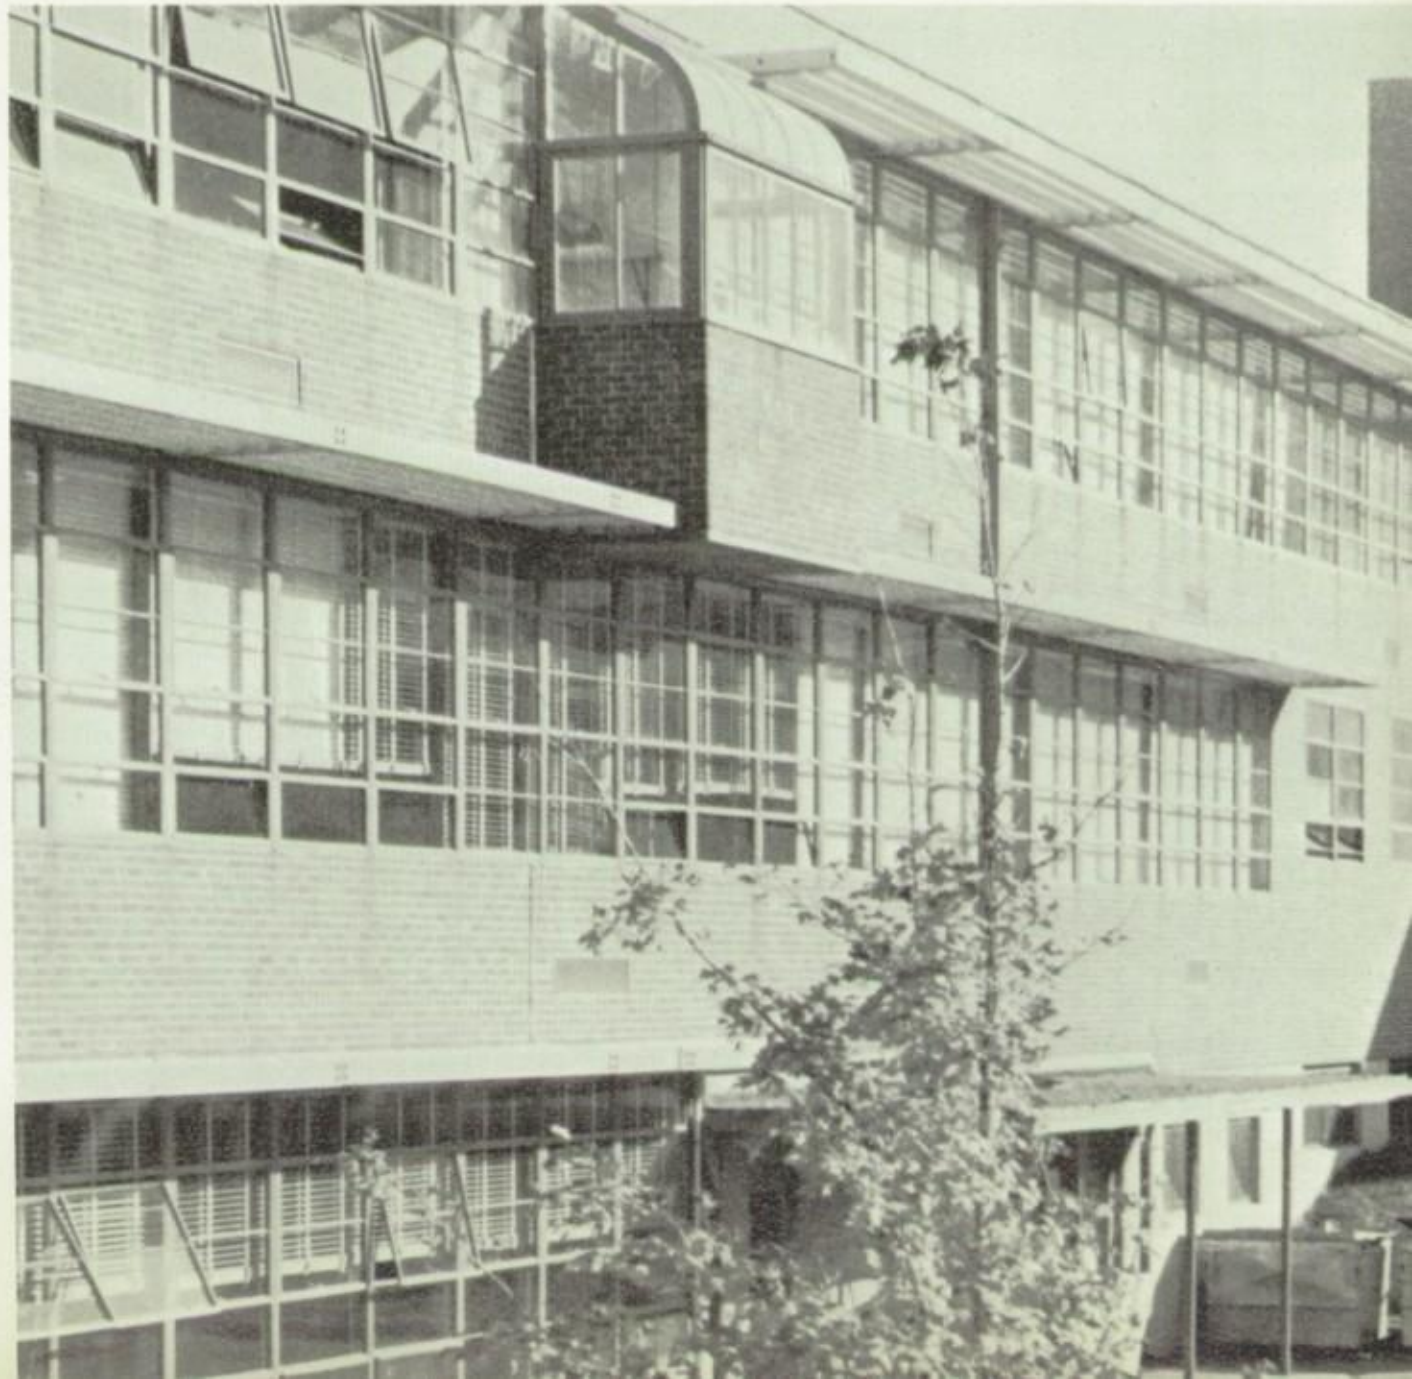

A community is ever-expanding, growing, and prospering in many aspects. As the community grows, it experiences, lives, plays and multiplies. So does our school also grow, growing everyday to prepare students for a future unknown. These students learn in academics, participate in sports and student life, and experience the problems of daily life. Our school is also such a growing and prospering community. To the student of this prospering community, we dedicate this book.

FOREWORD

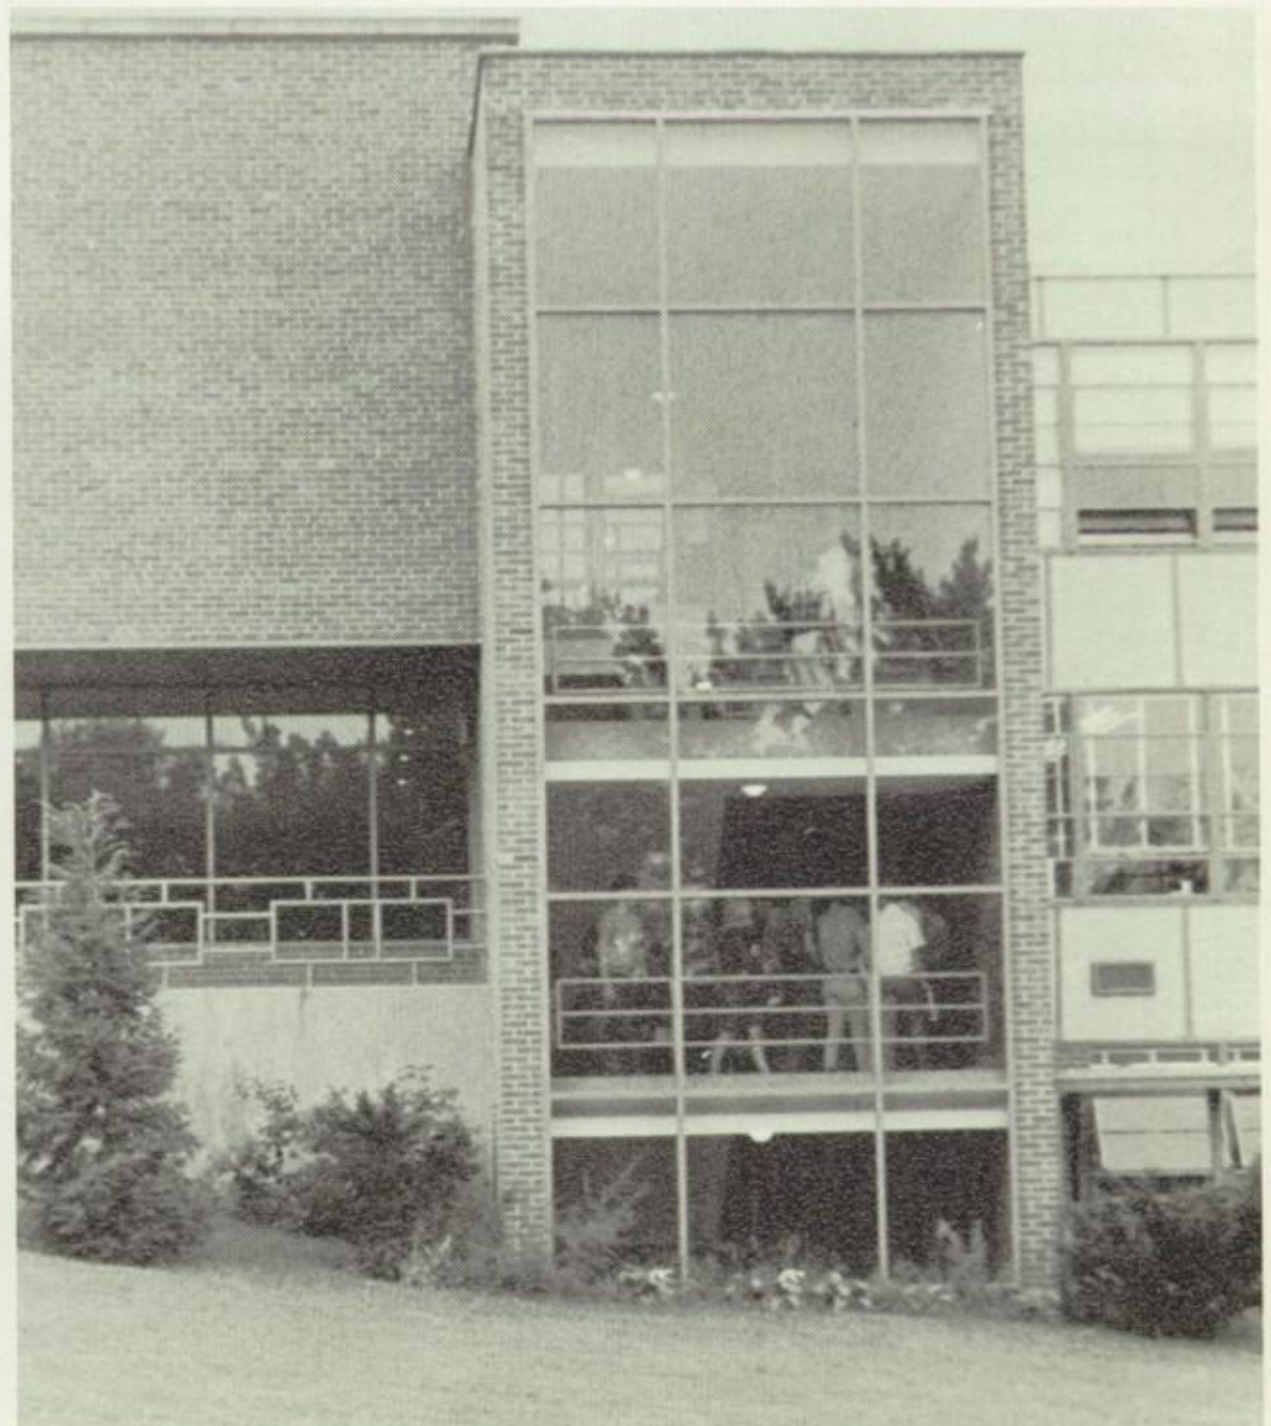

Welcome to

Turner - Our Growing Community

A high school is many things to many people. Administrators, faculty, and students make it a home away from home the greatest portion of the year. It grows with the community it serves. It becomes a community in itself. Our school is a growing community, growing as it helps us grow.

DEDICATEE - Mr. Gerald Haney

Many things go into the making of a yearbook. There are many qualities that the persons on the staff must have. The first is perserverance. One must be able to withstand the pressures that a demanding schedule will bring him. He must also be dedicated, diplomatic, and most of all he must love his work.

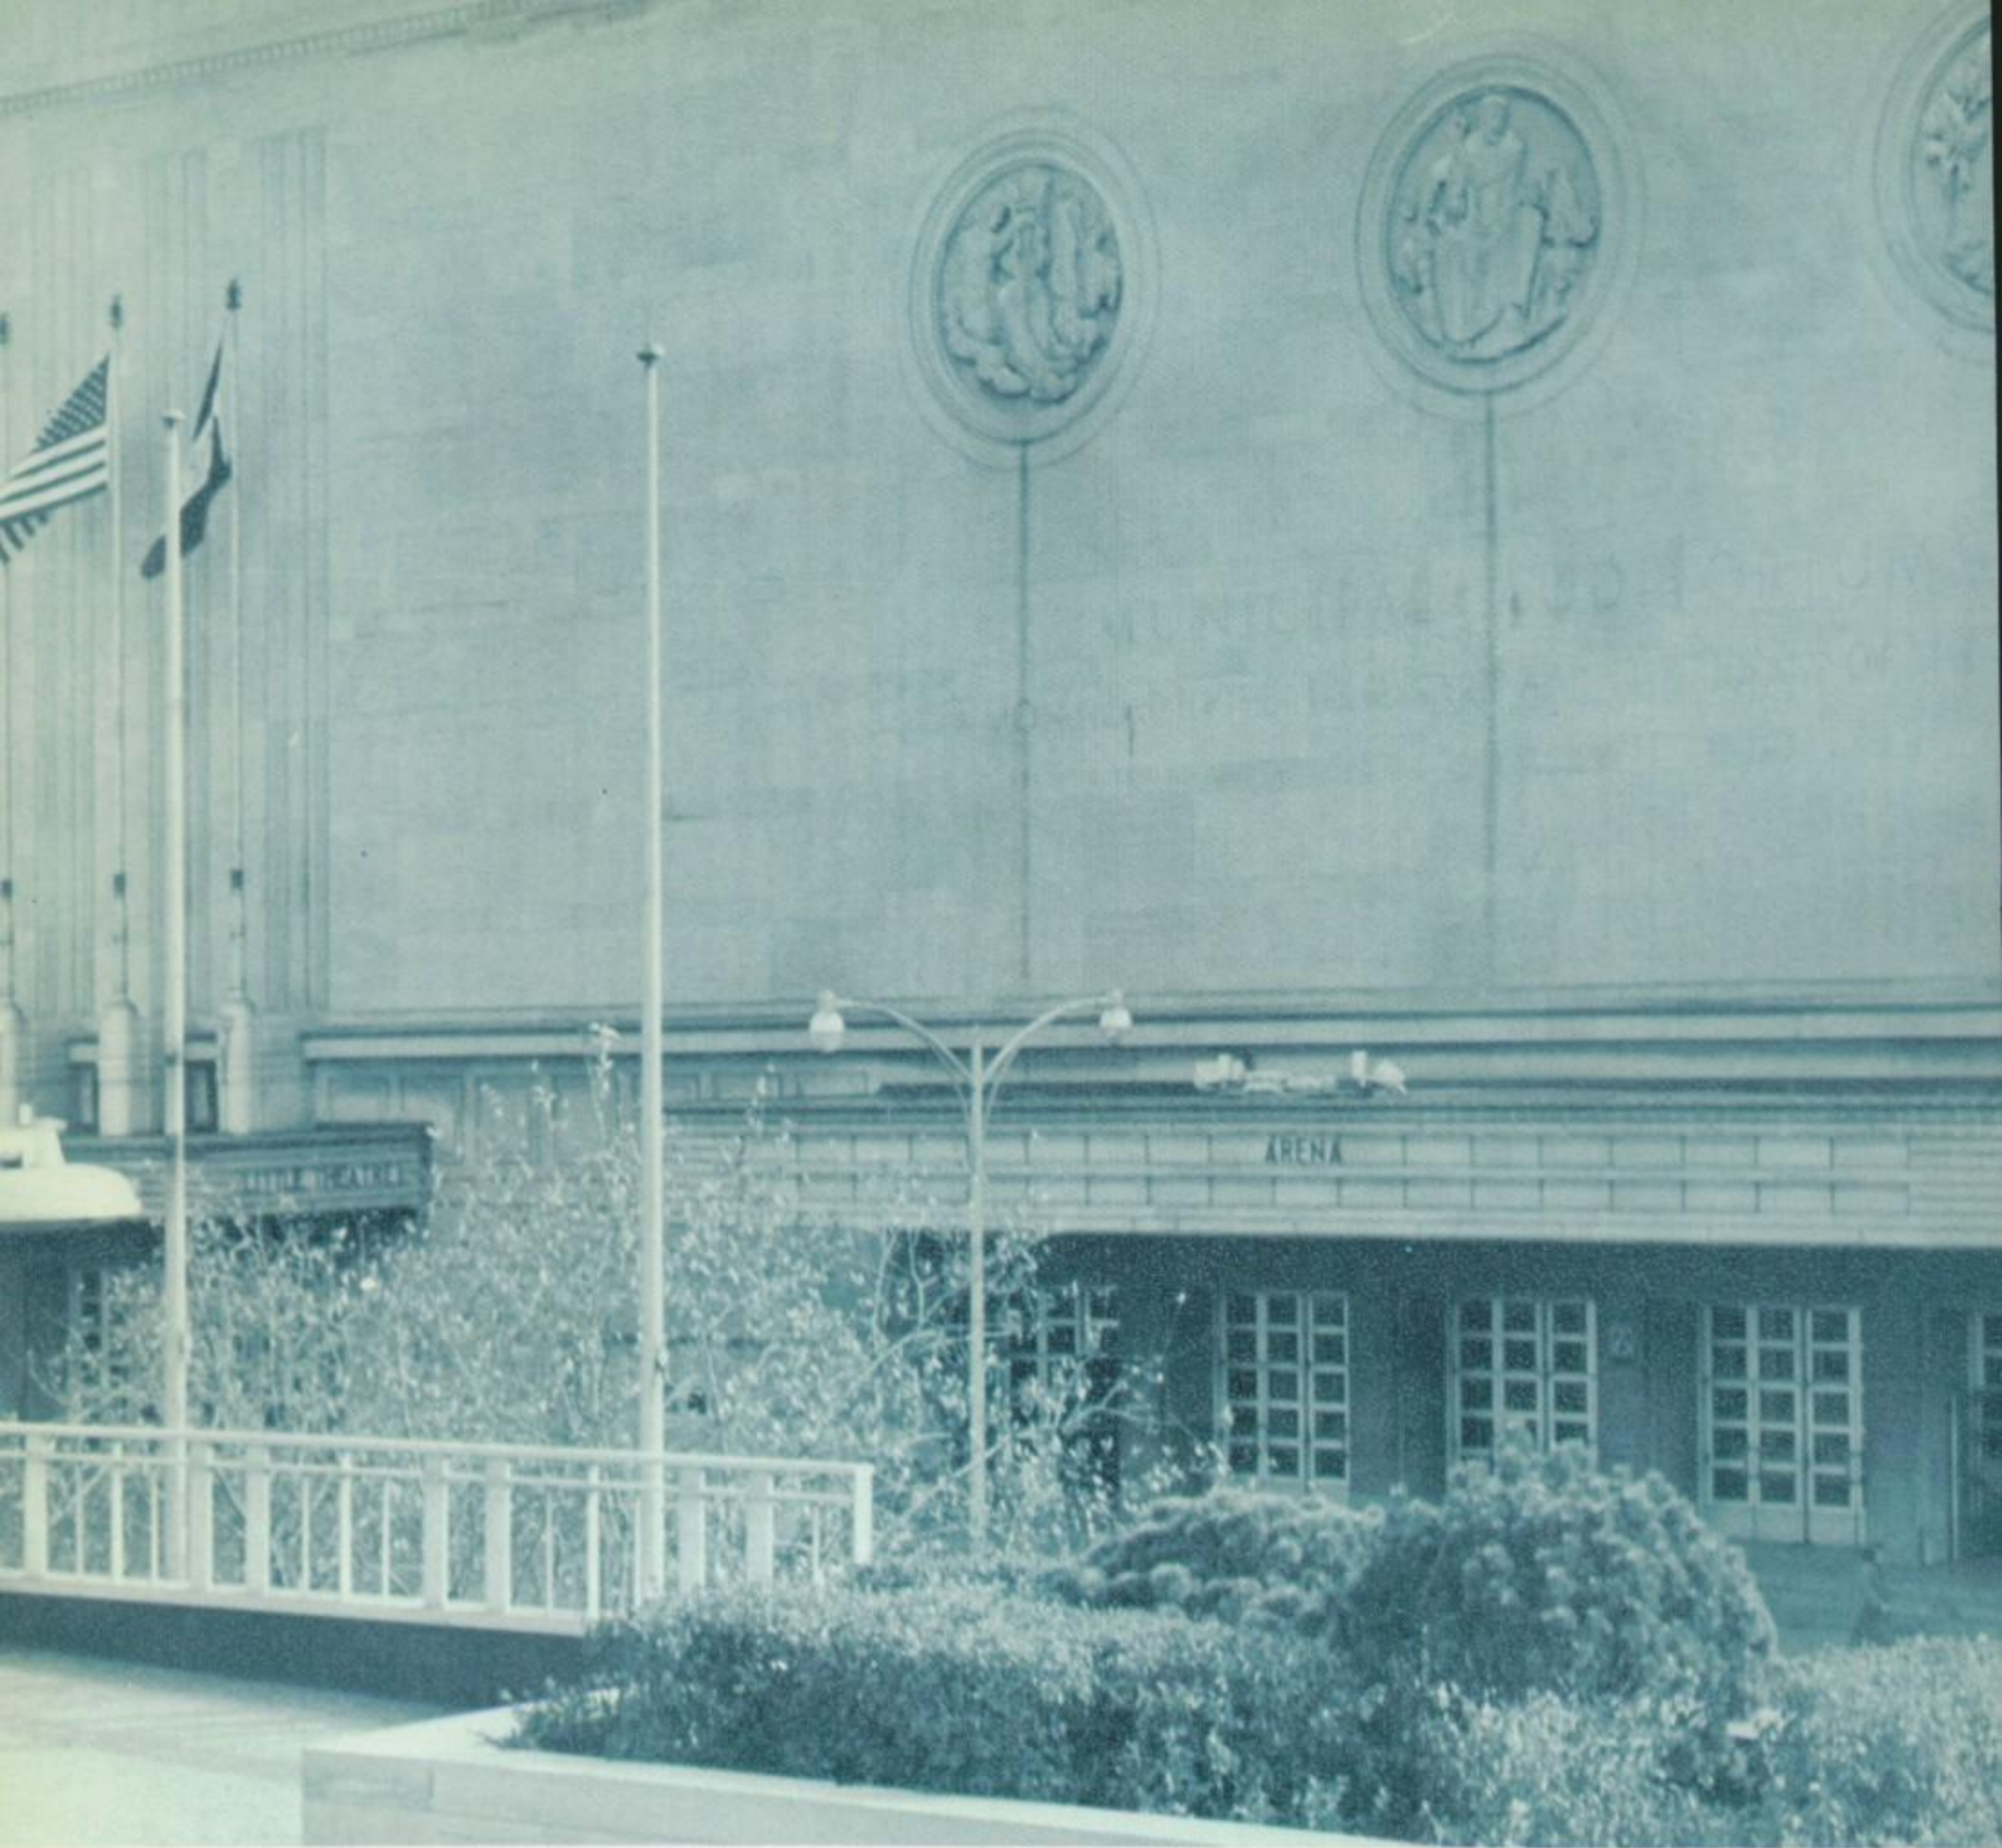

Thinking along these lines, the staff did not have to look far to find the person who had all these qualities and more besides. He has continually shown Turner his perserverance, dedication, diplomacy, and love for his work.

It is with great pride, and a bit of sadness that he is leaving this year, that we dedicate the 1967 edition of the Turnerite to Mr. Gerald Haney.

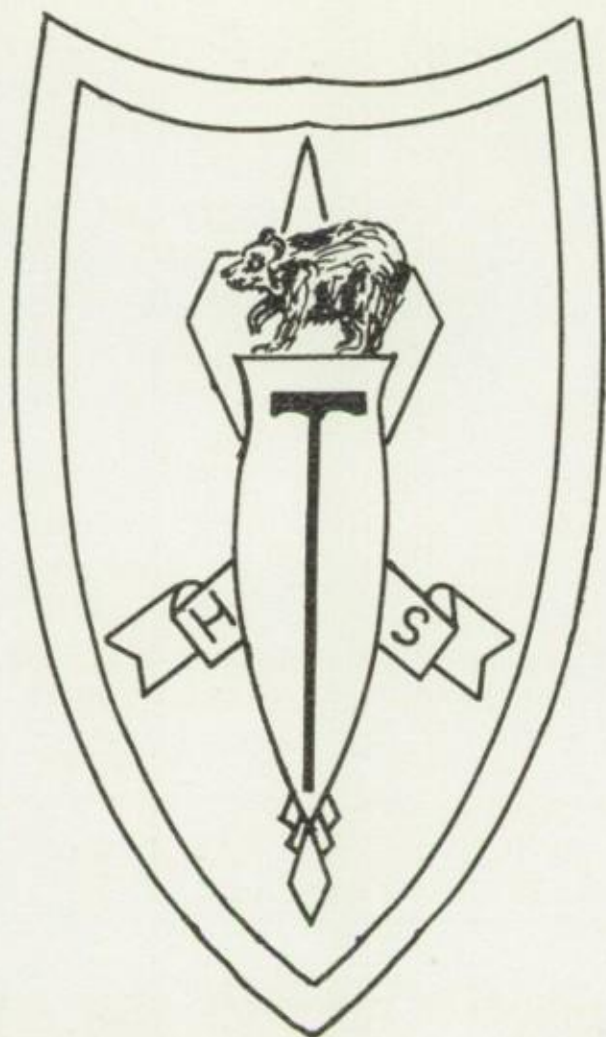

Mr. Haney looks over the results of ACT tests given various seniors during previous months.

One of Mr. Haney's more important functions for Turner is that of counsellor for the senior class. Here he is shown going through the student files.

STUDENT LIFE

ORIENTATION

Pictured above are Cathy Webb and Paula Kaiser, two of the sophomore members of the Junior Varsity cheerleading squad.

The Sophomore class of '69 has proved to be one of promise and achievement. Some of Turner's finest athletes are members of the Sophomore class. Sophomore participation in school activities was shown during twirp week and also at the gym show.

Besides a class of fine athletes, Sophomore actors and actresses have shown their ability in school plays throughout the year.

Four Sophomores were elected as Junior Varsity Cheerleaders to back their team. These girls have helped to boost school spirit throughout the year. The entire Sophomore class is given credit for helping to make Turner High School one of the best EKL schools.

The well-polished halls greet Sophomores as they come to Turner.

Sophomore Alan Swarts played outstanding basketball his first year.

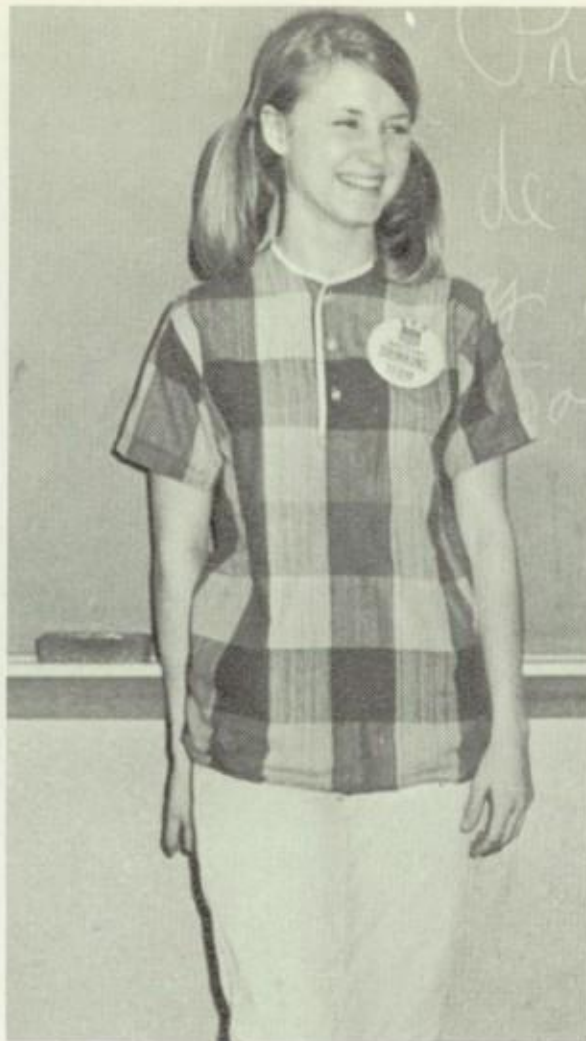

Beth Witter displays her dramatic ability in "Harvey"

Exhibited above is the first place sophomore basketball trophy.

Linda Bozarth enjoys participating in her first Twirp Week.

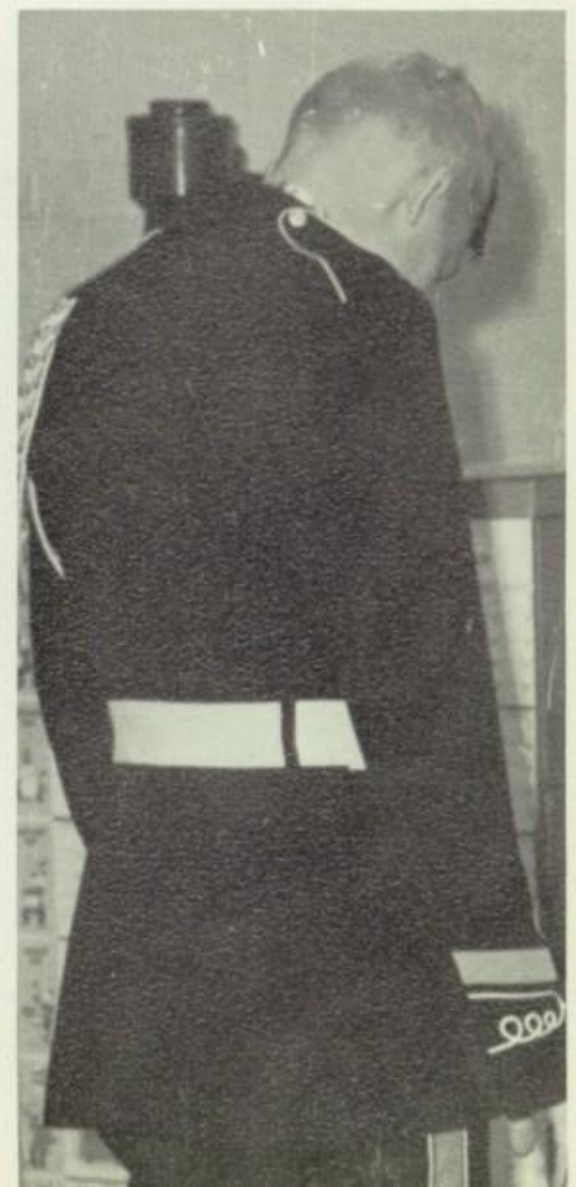

Sophomores diligently work at "getting in shape" during gym.

A few of the primary duties of in-coming Sophomores is to adjust to high school life and to pick their class officers. Here several candidates for class offices are introduced to their classmates.

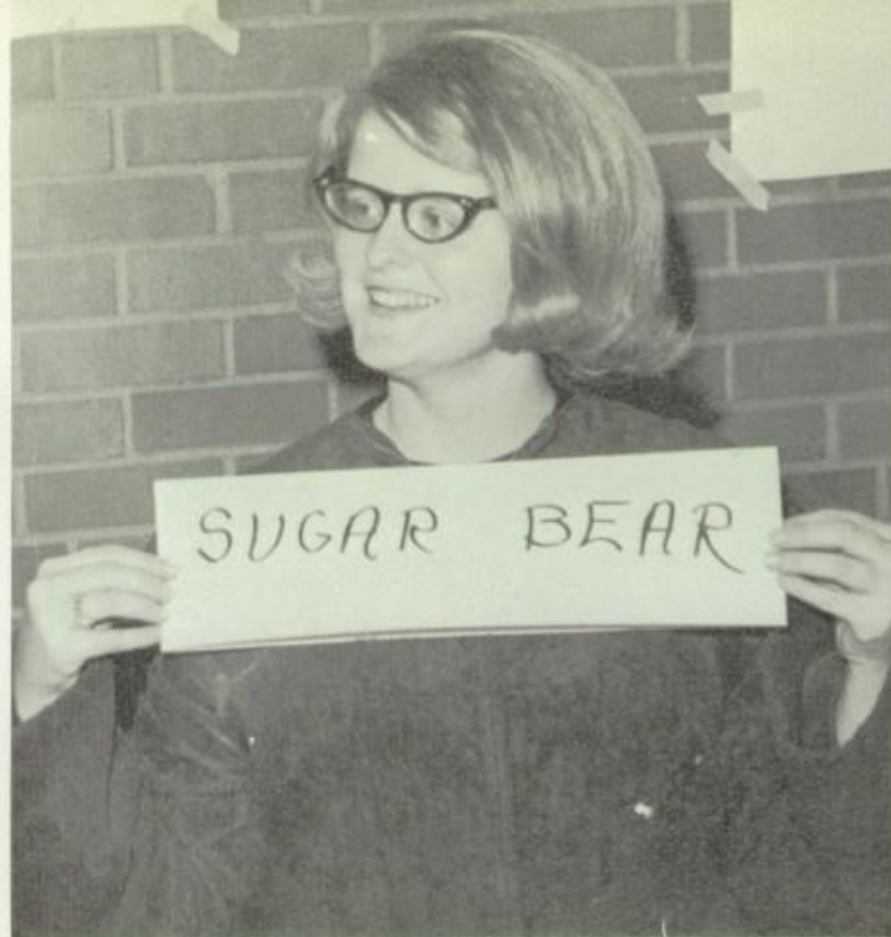

A musical sophomore tries on his first THS band uniform.

PEP RALLIES

Pep assemblies play a large part in the extracurricular lives of high school students. Administration, along with various school clubs, sponsored the assemblies held for the purpose of boosting school spirit. Besides boosting spirit, these assemblies were both entertaining and unusual. Skits presented by the Pep Club officers and members always depicted the Golden Bears defeating some dreadful foe. Cheerleaders regularly asked team members to make a speech to further team backing.

The Pep Band played at every rally. Composed of advanced band members, they added a sense of rhythm and swing, livening up the rally. Through these rallies, students felt more as part of the school spirit.

Donna Sullivan, "Sugar Bear," participates in one of many skits presented by the Pep Club for the enjoyment of the student body.

Cheerleaders lead frequent pep assemblies in order to promote school spirit at basketball and football games. Here Denise Rowe leads the boys' pep club along with the student body in a rousing cheer.

Brushing her bangs aside, head Varsity cheerleader Connie Gentry finds a moment to relax and think.

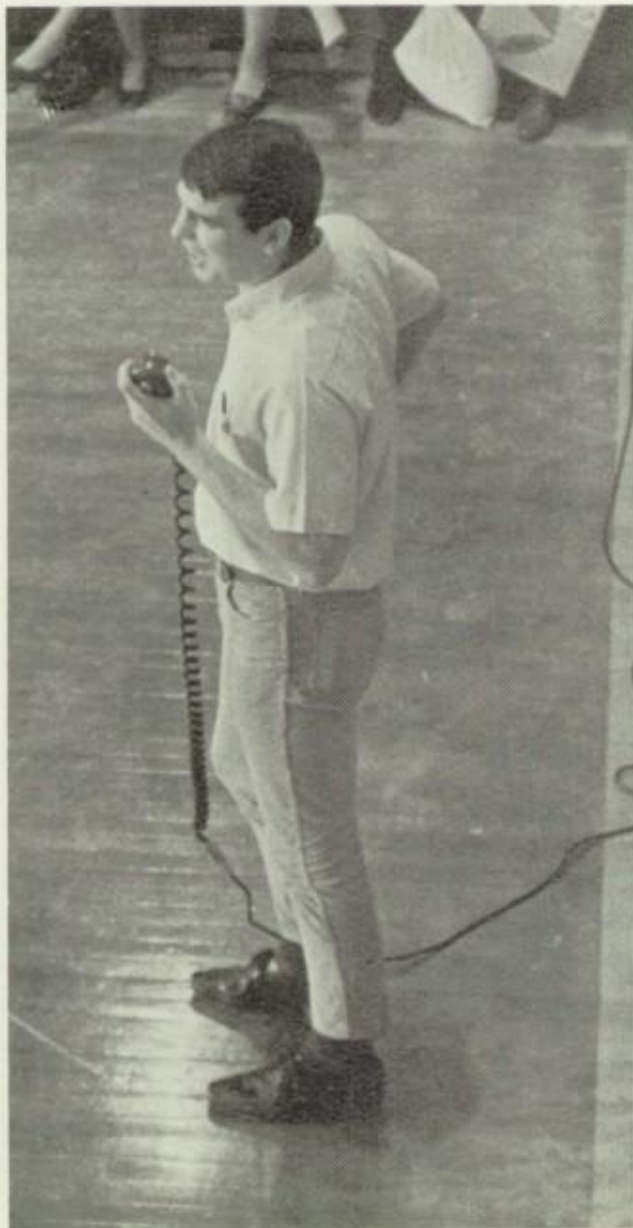

Cheerleaders regularly sponsor a member of the respective team as the pep speaker. John Thornton, a roundballer, offers a few words of encouragement.

Pep band members intently watch the activities below the band shelf as they wait to play the school song.

Pep speaker Ron Hall adds to the spirit of a pep assembly by assuring pepsters that the Bears were out to win.

In her second year of cheering, junior Susan Moore boosts spirit with a smile and enthusiasm.

A troubled look comes to Linda Feighner as she contemplates the next cheer for J.V. cheerleaders.

SPORTS BANQUET

The Fall Athletic Banquet, sponsored by the Turner Lions Club and the Turner Athletic Dept., was held on November 15, 1966 in the school cafeteria. A steak dinner was served to the football players and their parents. The dinner was held in honor of the football players.

Awards were presented to the Varsity, Jr. Varsity, and Sophomore football players by the coaching staff. Dr. Charles Lukinac, physician and former graduate of Turner High School was the guest speaker for the evening. Mr. Lukinac stressed individual improvement in a person if he wants to become a success.

An award of appreciation was presented by the Sophomore team to Coach Waugh, after each boy had received his letter.

Sophomore Coach Hubert Waugh, having another outstanding year with his soph's, hands a trophy to Ralph Wallace.

Shown here is one of the Feaster twins (Ramon or Robert) getting a trophy. Also in on the ceremony is Bill Gerber, Roger Graham, and the other Feaster twin.

Receiving special notice is Tom Spradling and Bill Gerber for being the biggest yard gainers on the squad. Assisting in the handing out of awards is Coach Waugh's helper, Coach Gerald Shoemaker.

Providing entertainment for the mixers were various "live" bands hired by the Student Council.

Kooky clothes, laughs, and dancing are always commonplace for these Senior students at mixers.

MIXERS

Turner High School mixers are held after every home football and basketball game for an admission of only 50¢. The mixers begin 45 minutes after football games and 30 minutes after basketball games. Turner high students and graduates are permitted without any obligation. If you wish to bring a guest, a guest ticket must be purchased. For the working students of T.H.S., a late list is provided.

The live music of popular bands enhance the spirit of the students. Mixers are a fine opportunity for fun and relaxation after tense moments of the preceeding game.

Mona Zanetello concentrates on a fast dance while the music sends out a steady beat produced by one of many bands which performed at all-school mixers.

HOMECOMING

One of the most beautiful traditions at Turner is Homecoming. This year's Homecoming dance was one of the most successful in recent years with the "Chontals" playing before a record attendance.

It was truly a night to remember for the Turner Bears as they defeated Ottawa along with having Paula Tisdale, Football Candidate, selected as 1966 Homecoming Queen.

The Senior Class was proudly represented by Miss Sharon Witt, the Class of '68 selected Miss Carol Gentry as their candidate, and Brenda Caton charmingly represented the Sophomores.

Marty Syring acted as Crown-bearer, and Stephanie Goetz carried the flowers.

The traditional crown and roses are carefully laid aside in preparation for the big moment.

Stephanie Goetz and Marty Syring perform their part of the ceremony with apprehensive dignity.

Paula awaits the moment with unusual calm.

The girls tensely await the announcement after taking their respective positions on the field during halftime.

Sharon anxiously waits her turn to enter the field.

Carol excitedly looks forward to the final crowning.

Brenda happily looks after her young charges.

Stephenie Goetz and Marty Syring served as flower girl and crown bearer at the halftime festivities.

Paula Tisdale, Homecoming Queen, smiles proudly as she watches her team's victory over Ottawa.

Crowned king and queen of Twirp Week were Stanley Frownfelter and Jean Anne Clark, as she performs one of the many tasks required of girls during the week.

TWIRP WEEK

Twirp Week is an annual celebration at Turner that takes place each year at spring time. Things are reversed and the girls take over the position of the boys at T.H.S. They are to open the doors, carry their books, pay for any dates that week, and take them to the Twirp Dance at the end of the week. This gives the girls the chance to ask that special boy to the Twirp Dance.

Dress-Up Day was the first day of the events this week. Thursday was Clash Day where everyone wore unmatched clothing and clashing colors. Finally, was Twirp Day when the girls wore slacks and the boys wore shorts and silly sweatshirts. A few of the students showed their energy by riding their bicycles to school.

Anxiously watching the game are the cheerleaders for the Faculty in their identical uniforms.

A shy (?) king hangs onto the Twirp Queen for protection from the ever-frightening camera.

Cathy Webb and Nancy Teeters proudly display their good taste in fashion.

Twirp attire: Sandra Ladenburger, Colleen Page, Kathy Cullen, George Mahler, Nick Heidrick, and Toni Lanaman.

A few of the girls formed their own chorus line on Clash Day in celebration of Twirp Week.

Dressed in Spanish decor for leading the cheers for the Faculty, Miss Jeanne Brown jumps with excitement in a few tense moments at the T-Club Faculty game.

Seeing "Harvey" Presents Problem for Audience

Elwood P. Dowd (Larry Cain) sits impatiently waiting for Dr. Chumley's decision on his sanity while he talks to Harvey, the invisible rabbit.

This year the Junior Class presented the comedy by Mary Chase, Harvey. Elwood P. Dowd (Larry Cain) was friends with an invisible six foot rabbit (Harvey). It was set in contemporary times but the Dowd home was quite old. The fun began when his sister and niece, played by Vicki Moore and Beth Witter, tried to get him committed to a mental institution. Soon things are so confused that it is not certain who is to be committed.

The cast worked very hard under the direction of Mr. Barry Wallace, who is new to the Turner staff this year. The assistant director was Judy Fauser and the stage manager was LeAnn McLenon. It was presented November 18 and 19.

Dr. Chumley (Jon Johnson) looks on while Elwood P. Dowd and Veta Simmons (Vicki Moore) prepare to leave.

The heart of Marian Paroo (Connie Robbins) is slowly being won over by the charms of Harold Hill (Roger Smith) during a lively dance scene from "Music Man".

MUSIC MAN

One of the best, and by far the most outstanding of all the musicals to be presented on the Turner stage was given in the form of "Music Man".

"Music Man" is the story of a traveling salesman who sells boy's bands. In actuality, Harold Hill is a pressure-pitching swindler who meets his match and his first real love in the person of Marian Paroo. Although "Professor Hill" is a crook, the good he has done for River City and it's people far outshines any harm he might have caused. Consequently, all turns out well in the end.

Drama director was Barry Wallace, musical direction was under Erdman Johnson and Wayne Hamilton, and the choreography was done by Mrs. Cheryl Osborn.

Eulalie Shinn (Ann Grossarth) and Mayor Shinn (Jon Johnson) disagree about the dubious Harold Hill.

SNO-BALL

The first annual Sno-Ball was held in the Turner High gym on the tenth of December of this year. The Ball was sponsored by the Student Council and was a semi-formal affair. The Renegades furnished the music at the gala affair.

The evening was highlighted when Santa took time from his busy schedule to crown the King and Queen of the Sno-Ball. Linda Jenkins, Student Council candidate and Dennis Vanderpool, Senior Class candidate were crowned Queen and King. The attendants were Gretchen VanSant, Senior Class candidate and Mike Stober Student Council candidate, Linda Feighner and Jim Smith, Junior Class candidates and Paula Kaiser and Roger Manning Sophomore Class candidate.

Candidates: Sophomores: Paula Kaiser and Roger Manning. Senior: Gretchen VanSant and D. Vanderpool.

T.H.S. ROYALTY

Turnerite Royalty is an honor at Turner High School, and is sponsored by the Journalism Department.

The top one-third of the Senior Class by rank are eligible for royalty. The Senior Class then votes for 15 boys and 15 girls. The top 15 boys and 15 girls were then voted on by the faculty.

The top 9 boys and 9 girls were the persons receiving the majority of the teachers votes. Mr. and Miss Turner High School are determined by the majority of the students and faculty.

This year, two new categories were added to the Royalty. They were; Prince and Princess of Charm, and Prince and Princess of Activities. This year, no Press Ball was held, and the Royalty were announced at the Prom.

INITIATION

The top 20% of the Senior Class, determined by rank in class, and the top 10% of the Junior Class, determined by rank in class, are eligible for National Honor Society. This is the first year in Turner's history that members of the Junior Class could be eligible to achieve this honor.

A new method of selection was adopted this year. All students who were eligible met with the principal and voted for 15 candidates. Besides the student ballot, there was a faculty ballot which counted twice as much as the student votes. The final formula for voting to determine the total eligible is the rank in class and student points plus faculty points.

Mrs. Zimmerman was the sponsor of the National Honor Society this year.

Senior members show a variety of emotions and reactions after being initiated into the society before an all-school assembly.

Junior member George Allen prepares to light his candle and sign the Society roll book as a part of the initiation ceremony.

Hostess Donna Grossarth serves coffee to guests at the reception held for parents and members after the assembly in the Little Theatre.

ORGANIZATIONS

STUDENT COUNCIL

The Student Council of Turner High School not only serves the purpose of encouraging school spirit and taking a leading part in school activities, but also provides the student with an opportunity to express their opinions.

This year the Student Council sponsored the Twirp Dance, Homecoming, The Concession Stand, and the Sno-ball.

The officer of the 1966-1967 Stu-Co were: Don Fisher, President; Tom Osteen, Vice President; Paula Tisdale, Secretary-Treasurer; and Linda Jenkins; Program Chairman.

Sponsoring Student Council this year was Mr. Fugate with the help of Mr. Allison.

NEWSPAPER

The function of the newspaper division of the Journalism Department is to provide Turner with the bi-weekly edition of The Booster. While providing this service to the school, the members of the class gain new experience, understanding, and responsibilities. Tight schedules, meeting deadlines, the assignment of copy for the paper, uncovering new developments that would be of interest to every one at school, hours of planning for feature stories and editorials, arranging for pictures to be taken, are all included as a part of the daily routine.

Members of the class learn to accept others ideas and work together toward a common goal--to keep the students interested in and up-to-date on the happenings at T.H.S.

Photographers Bob Baier and Lance Stoner spent many hours on the camera and in the darkroom to provide the Turnerite and Booster with sufficient pictures.

Standing: Regina Kelley, Loyce Easter. Sitting: Danny Brown, Jim Gladieux, and Roy Graham.

Susan Walker, editor-in-chief, worked constantly to make the 1966-'67 Booster one of the best volumes.

QUILL AND SCROLL

Quill and Scroll is the International Honorary Society for High School Journalists. Students active on the Turnerite, Booster, and the Lit and Wit were elected to the honor of being a Quill and Scroll member.

Qualifications for membership are:

1. They must be of at least junior or senior classification.
2. They must be in the upper third of their class scholastically.
3. They must have done superior work in some phase of journalism of school publications work, such as writing, editing, business management or production.
4. The supervisor must recommend them.
5. They must be approved by the Executive Secretary of the Society.

Editors of the Junior Booster edition: Mark Robinett, sports page; Mary Clay, editor-in-chief; Carolyn Francis, features; and Cindy Powell, editorial.

An important part of Jr. Journalism is the analysis and criticism of various school papers. Here sixth hour Journalism views a recent edition of the Booster.

JR. JOURNALISM

Junior journalism is a class designed to increase the knowledge of the fundamentals for the production of a successful Booster and Turnerite.

Various activities are provided throughout the school year to provide helpful experience for performing these upcoming project is the Junior edition of the Booster. This allows each individual student to learn to accept the responsibility, maintenance and handling of a newspaper. Junior journalists had the venture of touring the Kansas City Star this year. Their trip gave them a better insight as to how a metropolitan newspaper is put together.

The class is also taught the major areas that should be compiled into a complete yearbook. Along with this are the organizations of pages, labeling of pictures and accurate information of activities.

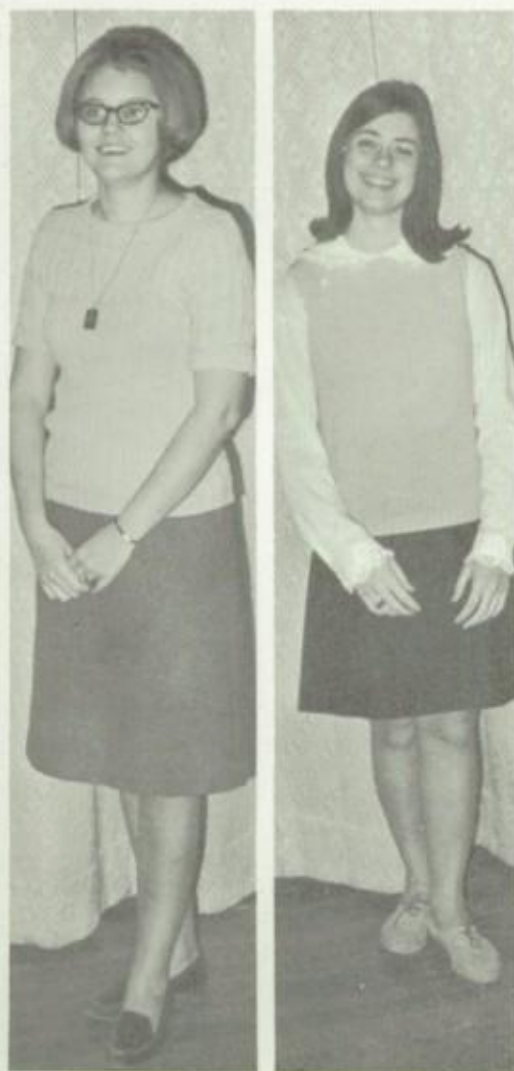

A new edition of the Booster arrives and seventh hour Journalism takes on the task of distributing school papers to all teachers with seventh hour classes.

THESPIANS

The greatest asset to Turner High School's cultural development is Thespian Club. The purpose of this nationally based organization is to promote interest in the field of dramatics, and to teach the participants of this club the various aspects of dramatic production.

One becomes a Thespian by earning points. These points are accumulated by working in dramatic productions put on by the school.

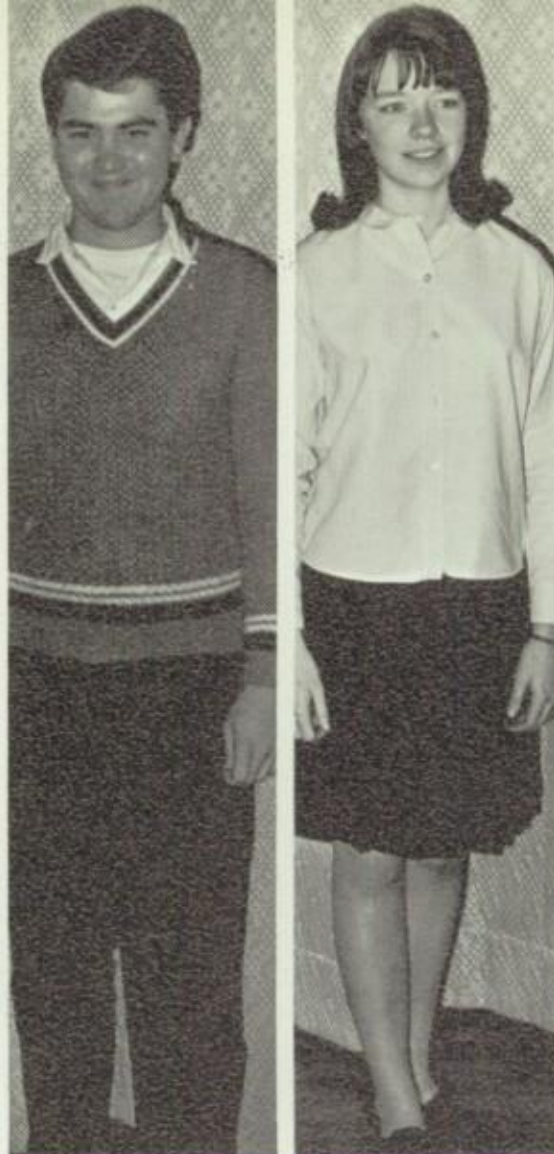

Thespians have many activities throughout the school year. The spring picnic and the annual Thespian Show being two of these.

Mr. Barry Wallace is head sponsor with assistance from Mr. Harris.

LIT AND WIT

Every year the Literary Society publishes a magazine of the literary works of students in the school. A contest is held in the fields of humor, short story, essay, and poetry. The students' entries that meet the requirements of the club are submitted to a board of teachers. In each category, a pin is given for the work judged best. The magazine is sold by subscriptions.

This year Mrs. Swartz and Mrs. Higgins were the sponsors. However, Mrs. Swartz left at semester break, and then Miss Sandra Rosch helped. The officers were: LeAnn McLenon and David Williams, co-editors; Jeryn Haney, secretary; Diane Hand, treasurer and typing coordinator; and, George Bogard, art coordinator.

Officers are: David Williams, LeAnn McLenon, Diane Hand, Jeryn Haney.

SERVICE CLUBS

A helpful group of girls from Turner High School are the members of the Usher's Club. Some of the various duties they perform during the year is working at the Messiah, program handling at school play, and organizing coat check during the performances.

A very important and necessary service group in the daily operation of Turner High School is the job of the attendance worker from Mr. Baker's office.

Each class hour it is their job to collect the absentee cards, which are hung on the classroom doors. They then record each absence and report any student who has apparently skipped school. Next the workers file the cards and place them in the teachers mail boxes.

Drama Club officers are Larry Cain, Diane Hand, Judy Fauser, Jim Kindred.

DRAMA CLUB

For the first time in the history of Turner High School, a Drama Club was organized. Previously there had only been the Thespians, which is an exclusive society. The constitution named the club Turner Association of Theatre Arts, or simply TAOTA.

All the club members participated in one way or another in the plays produced at Turner. They were either members of the cast, or members of the crew.

The officers for TAOTA's first year were: Larry Cain, President; Diane Hand, Vice-President; Judy Fauser, Secretary; Vicki Moore, Treasurer; Beth Witter, Publicity Director; and Jim Kindred, Sergeant-at-arms.

Officers for the '66-'67 school year in Youth For Christ are Lenn Roberts, Carol Kring, and Diane Hand.

Y.F.C.

An active and growing club at Turner High School which involves a large group of young Christians is the Y.F.C. organization. It's only one of an international organization with members in Forty-five countries.

Serving as sponsor to the Turner chapter of the club this year was Mr. Charles Stewart.

The club's meetings are held on Monday evenings after school. Saturday night rallies through Y.F.C. and Bible quiz contests between various schools are encouraged.

The prupose of the club is to promote spiritual activities in the student body and to instill in the member a sense of spiritual leadership.

FUTURE TEACHERS

The membership of the Future Teacher's Club of Turner High School is open to all students who want to learn the opportunities in the teaching field.

Under the able sponsorship of Miss Cunningham and Miss Clark, the club planned many interesting activities. Among the scheduled plans were: the sponsorship of the teacher's tea, the awarding of two \$50 scholarships to members, scheduling of speakers, field trips, assisting teachers, and planning displays in the THS display windows. The center piece at the teacher's tea was given to Mr. Syring. The members attended a state workshop in Topeka, a district workshop at Shawnee Mission North, and the state convention in the spring at Kansas State University.

Officers are: Mark Robinette, Joan Carrillo, Regina DeCoudres, Susan Walker, and Danny Brown.

G. A. A.

GAA, more formally known as Girls Athletic Association, encourages girls to take an active part in sports and to inspire school spirit.

The group sponsors and supervises intramurals throughout the year.

To be eligible for membership, two hundred points must be earned and a "C" average maintained. A two hundred point yearly requirement must also be met in order to remain among the membership.

At the end of the year, various awards are given according to the total number of points earned. A letter is given to each girl earning five hundred points, a pin for seven hundred fifty points, and a bar for one thousand points. The senior girl with the most points is given a trophy.

Officers are: Pat DeNolf, Pam Kendall, Mary Richards, and Pat Berry.

TRIPLE T

Turner Teenage Traffic Safety Club is a group of students that are interested in the preservation of life. They try to promote safety among the students at T.H.S. This year they attended the Governor's Safety Conference in Topeka, and were represented at another by Mr. R'Leigh Bell. They, also, painted the parking lot, designating certain parking stalls for Seniors, Juniors, Sophomores, and Employees, as well as registering all cars to be parked in the lot.

Mr. R'Leigh Bell and Mr. Shoemaker were the sponsors. The officers were: Martha Males, president; LeAnn McLenon, vice-president; Connie Robbins, secretary-treasurer; Bonnie Payne, program chairman; and, Bill Post, sergeant-at-arms.

Y-TEENS

What is Y-Teens? Y-Teens is the teenage branch of Young Women's Christian Association.

The purpose of Y-Teens is to build a fellowship of women and girls devoted to the task of realizing in our common life those ideals of personal and social living to which they are by faith as Christians.

Their activities this year included a bake sale, cake decorating, a Pot Luck fashion show, tea for the mothers, and fun!

The officers this year were; President, Dellzie Ross; Vice-President, Jan Cooper; Secretary, Bonnie Payne; Treasurer, Jeanne Crain. Sponsors were Mrs. Poling and Miss Cofin.

J. C. L.

Probably the most interesting and educational of our clubs at Turner High School is Junior Classical League or more commonly known as Latin Club or JCL.

The Junior Classical League's purpose is to cultivate an interest and appreciation for the civilization, language, literature, and art of ancient Greece and Rome.

Turner's Junior Classical League is a small part of the national organization. The local club must officiate with the statewide organization, which, in turn, must belong to the American Classical League.

The sponsor for Turner's Junior Classical League is Mrs. Lucy Grey.

Officers are Row 1: Jim Precht, Judy Fauser, John Steineger; Row 2: Larry Cain, Marcia De Greve.

FRENCH CLUB

Le Cercle Francais, better known as the French Club, participates in studying the customs and culture of the French people.

The members are taken from students in French III.

Le Cercle Francais held its annual Christmas festival, La Fete des Rois, January 6. The highlight of the party was the crowning of the King and Queen.

Club meetings are held in class on every other Friday.

The club is sponsored by Miss Leatherberry. Officers are: Ardys Littlefield, and Gretchen VanSant, Presidents; Connie Robbins, and Vicki Moore, Secretaries; Ron Tush, and Delsie Ross, Program Chairmen.

SPANISH CLUB

This year one of the more active of the foreign language clubs is the Spanish Club. The club consists of two classes, the third hour and the seventh hour, which is made up of all third and fourth year Spanish students. They hold their meetings on Fridays during their class meetings.

One of this years more important projects was the selling of candy suckers of which the money was given to Student Council to begin a project for the building of a school in South America.

The club has a set of officers for each hour. They are Joan Carrillo, Jon Johnson, Diane Joyce, Marcia Wesoloski, Denise Rowe, Mark Bell, Dennis Nadvonik, and Maureen Ginn.

ART CLUB

The Art Club, sponsored by Mr. Gary Marquart, art instructor, was organized again this year to further develop the interest in, and understanding of art. Also, the Art Club provides the opportunity for those students not able to enroll in art classes to pursue their interests.

Included in the various projects of the Art Club was the construction of a replica of a stained glass window, that depicted a Christmas scene that was enjoyed by many passerby. Other projects were the decorating of banquets, such as the Athletic Banquet, murals for the Homecoming dance, and a dinner for the members at a local restaurant. The Turner pennants that waved proudly at the football and basketball games were also made by the Art Club.

The art club helps spread the spirit of Christmas with their annual window mural.

T-CLUB

One of the greatest boosters to Turner High School spirit is T-Club. T-Club consists of all those athletes who have earned a varsity letter in any sport or two junior varsity letters in the same sport.

It's purpose is to promote good sportsmanship on and off the field, and to encourage fellowship among sportsmen.

One of the ways T-Club helps school spirit is by cheering for our teams in their own section.

T-Club is sponsored by Mr. Baker, who is assisted by Mr. Price, Mr. Martin, and Mr. Waugh.

This club deserves recognition for their efforts in supporting our school.

T-Club officers of 66-67 are Gene Pettey, Les Bohrer, Boyd Gates, Bill Perkins, and Dennis Vanderpool.

Row 1: Steve Wilson, George Best, Mike Carruthers, Nick Heidrich, Harry Dunn, Don Helmick. Row 2: Jeff Davis, Robert Wittkopp, Lonnie Myers, Larry Paulsen, Warren

Industrial Ed. officers for 66-67 were Boyd Gates, Steve Wilson, Richard Wiley, and Robert Wittkopp.

Industrial Ed.

Turner has well-equipped shop areas which give the students opportunities to work with the most recent up-to-date machinery and gain actual experience through their work. One can prepare for a basic vocation, and possibly become interested in working with the hands for a future occupation, or as a hobby. The student will gain an appreciation of manufactured products and have a better basis for judging their value.

Industrial arts offers interested students such courses as printing, auto mechanics, general shop, mechanical drawing, metal-working, and woodworking.

Row 1: Jeanne Crane, Janet Diehl, Becky Patterson, Carole Kring, Kay Watters, Linda Matthews; Row 2: Sandy Vining, Peggy Bitokofer, Donna Page, LeAnn McLennon, Ardys Littlefield, Judy Fauser, Betty Huff;

CHOIR

The choir, under the direction of Mr. Erdman Johnson, consists of students chosen on the basis of their singing ability.

The Choir performs in different assemblies and concerts throughout the year. They were highly recognized and rated in the annual contest at Lawrence. They were kept busy all through the year with musical productions.

Within the school, the biggest event for the Choir is the annual musical, which was "Music Man" this year. There was much time and effort put into the play which showed by the excellent performances.

The Choir brought much enjoyment to the students and faculty of Turner.

Mr. Erdman Johnson, Choir director for twenty-six years, has built a reputation of excellence.

The Choir works on various songs for presentation to audiences and the school.

Officers are: Jon Johnson, President; Tom Osteen, Vice-President; Joan Carillo, Treasurer; and Connie Robbins, Secretary.

CHORALE

The Turner High School Chorale marked its second year of musical ability under the direction of Mr. Erdman Johnson. The ensemble consists of a select group of singers from the Choir. They are always in practice and ready to perform.

The suits for both boys and girls in similar attire added to the effect of the ensemble.

The Chorale performed not only to the Turner student body, but also to various groups in the community. They were accompanied by Linda Matthews. Their splendid performances made Turner High School proud of the Chorale.

The Chorale achieves it's excellent balance and intonation through hard and exhausting rehearsals.

PEP CLUB

Better school spirit is one of the points the Pep Club strives toward, with many duties to fulfill. The main duty is backing the Turner Golden Bears.

Officers this year were: Janet Reade, Pres; Pat DeNolf, Vice-Pres; Loyce Easter, Sec; and Gretchen VanSant, Pro. Chairman.

Varsity cheerleaders were elected in the spring, and spent one week at Topeka learning new cheers. Varsity cheerleaders must either be juniors or seniors, and all cheerleaders must maintain a "C" average to cheer.

Sponsors are: Miss Brown, Mrs. Potter, and Mrs. Ihde as head sponsor.

For the fifth year the Pep Club decided to elect letter girls, which are seniors.

Cheerleaders have many exciting moments as Linda Feighner sits for a graceful pose and happy smile.

CHEERLEADERS

The Varsity Cheerleaders take on a large responsibility at Turner High School. They are the leaders of the Pep Club at games, and the school leaders at Pep Assemblies. They do their utmost best to encourage school spirit among the student body, and cheer the Bears to VICTORY!

The cheerleaders attended Kiwanis Youth Camp in Topeka Kansas the week of June 4. There they learned new cheers and pompon routines. Every evening they entered competition and won first. The final day of camp each Turner cheerleader received a blue ribbon and the much sought "Spirit Stick". During the summer and school months, the cheerleaders hold regular practice sessions every Tuesday and Thursday.

YEARBOOK

The function of the yearbook staff of the Journalism Department is to provide Turner with the Turnerite annual. Although this is considered a service to the school, the members of the class are also benefited.

Room 204 was a busy hub of activity as the staff strived to meet their March 6th deadline. Students worked diligently cropping pictures, composing headlines, drawing layouts, and checking copy to publish a worthwhile yearbook of this year's many activities and students.

The yearbook staff as pictured at left are top: Diane Pritchard, Carol Hutton, Brenda Parks, Henrietta Pankey; Second Row: Tim Tyson, Bev Morris, Pat Oswald, Danny Brown; Third Row: LeAnn McLennon, Gloria Ginn, Mrs. Jim Bales, Jon Johnson; Fourth Row: Lance Stoner, Cheryl Saucerman, and Carolyn Campbell.

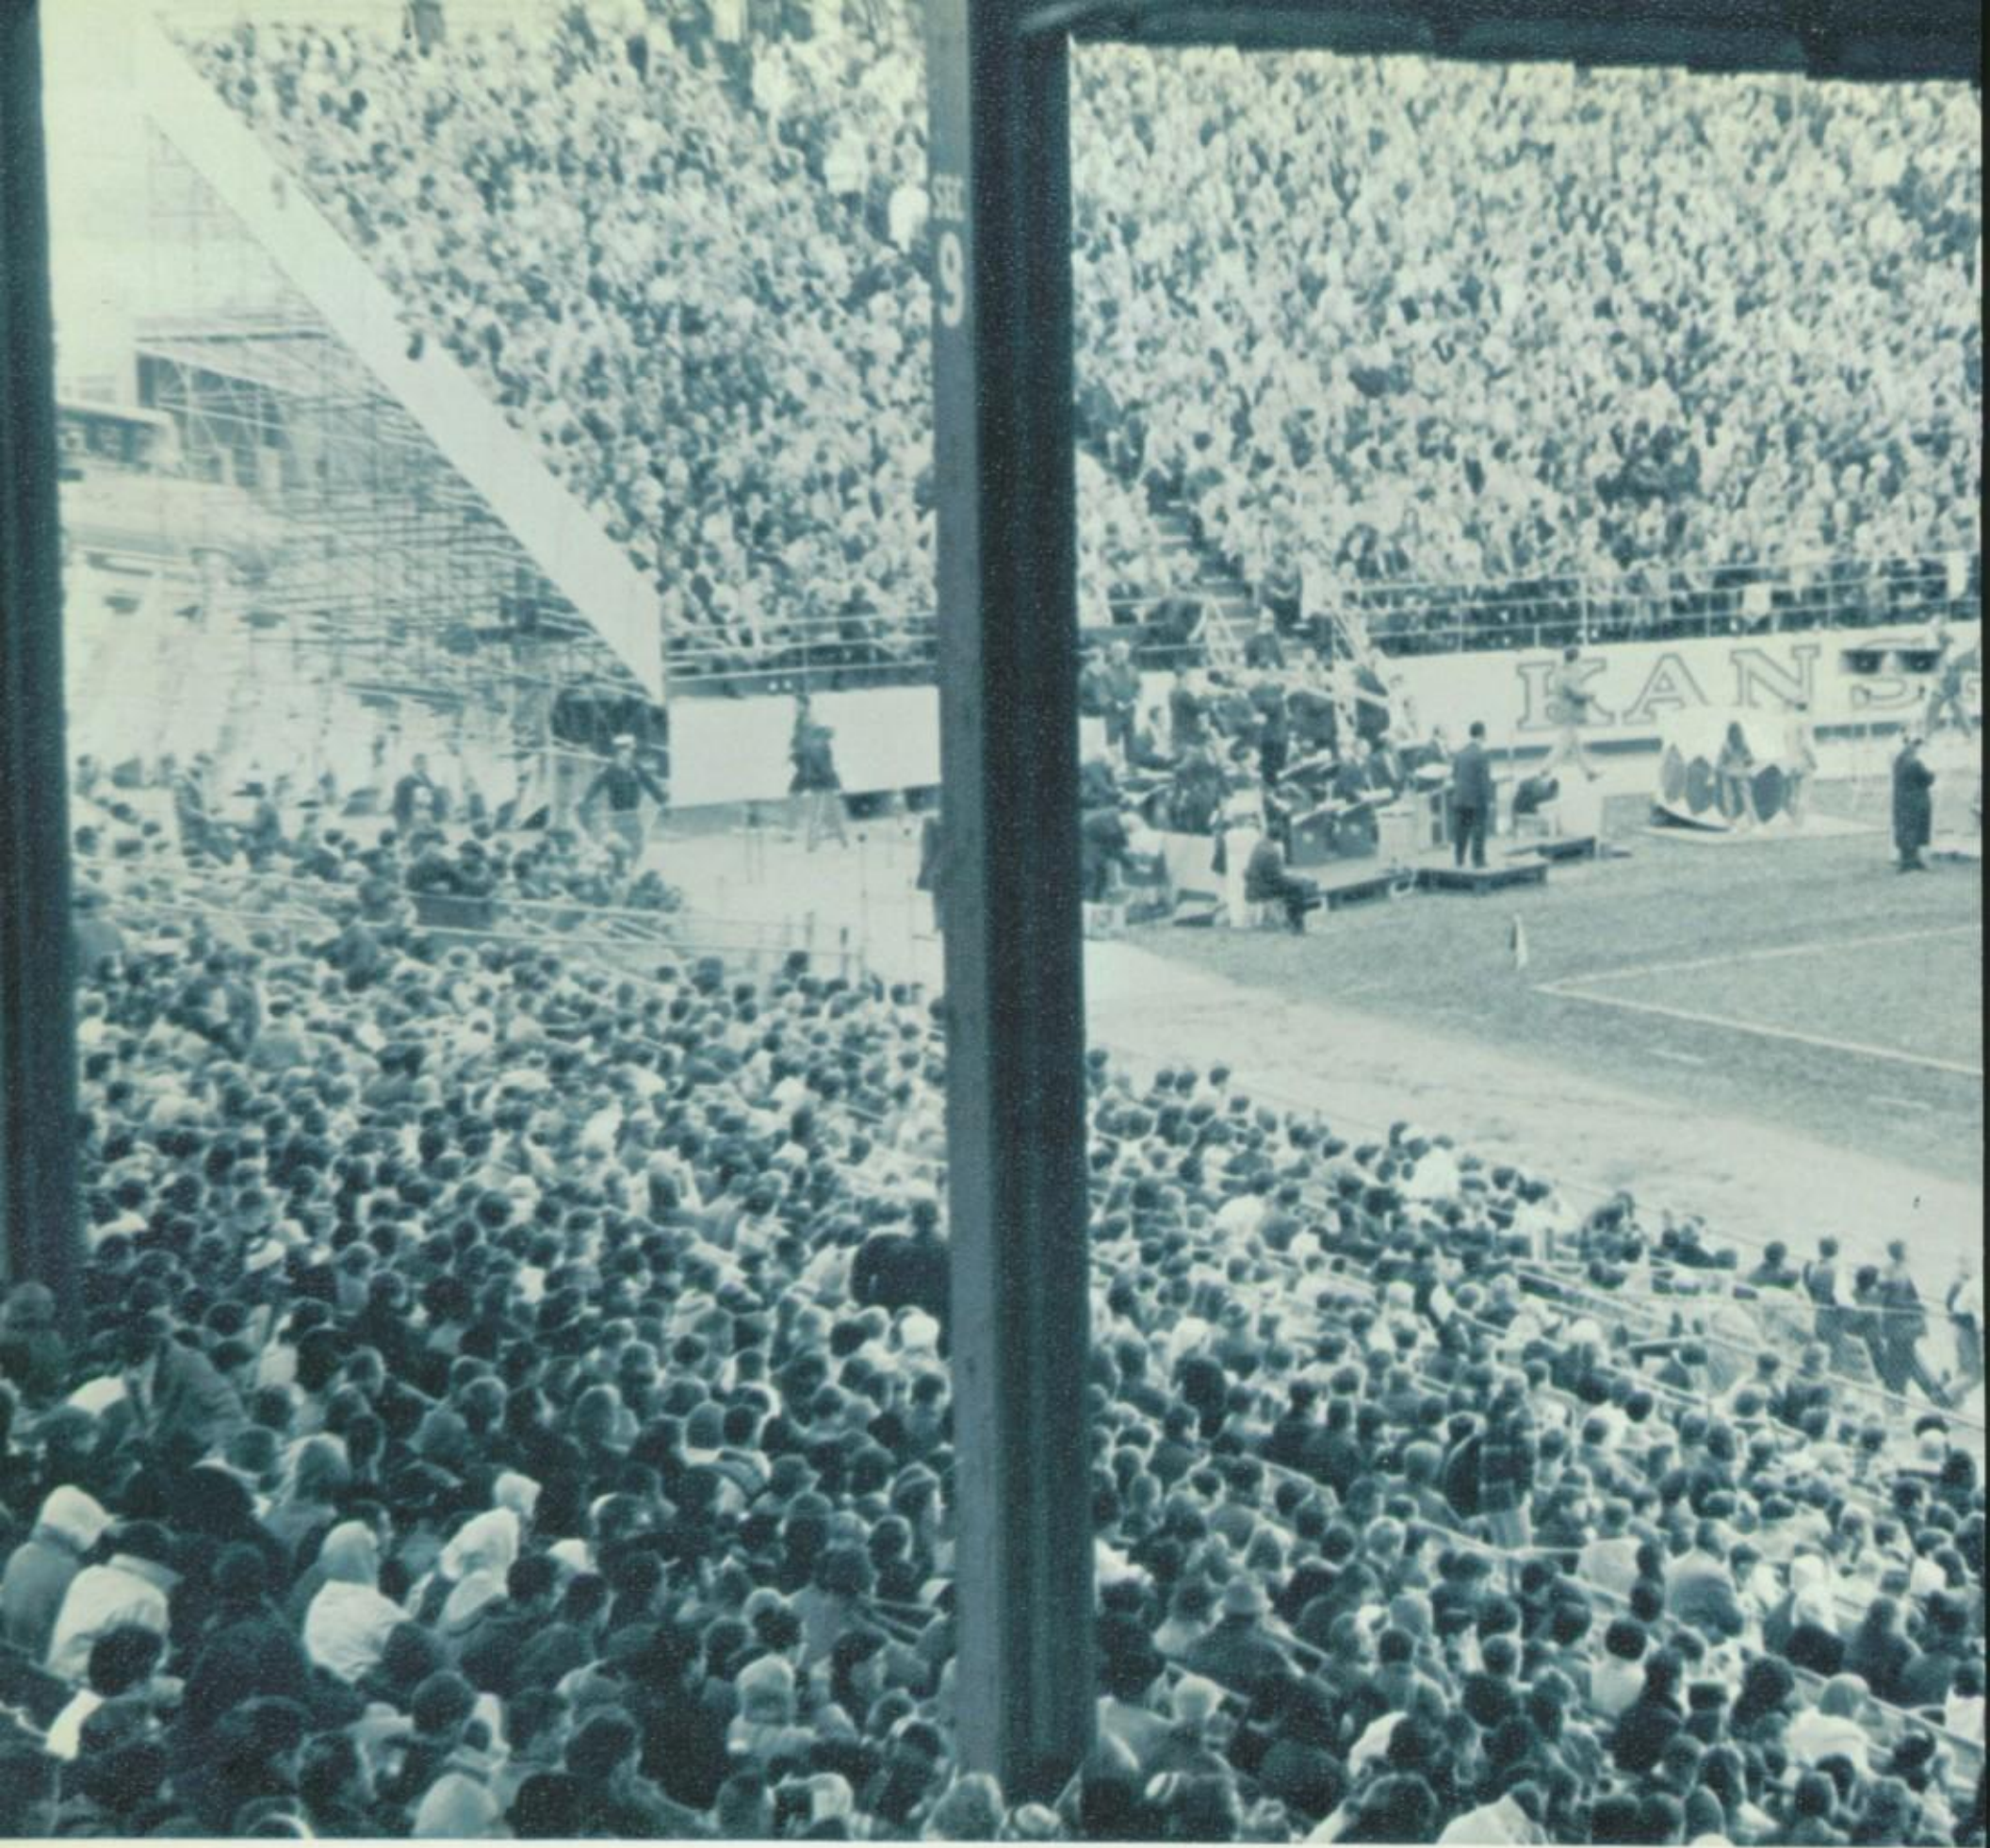

Other Turnerite staff members are, sitting: Connie Gentry and Donna Beets. Standing: Scott King, Dave Williams, and Dick Kovich.

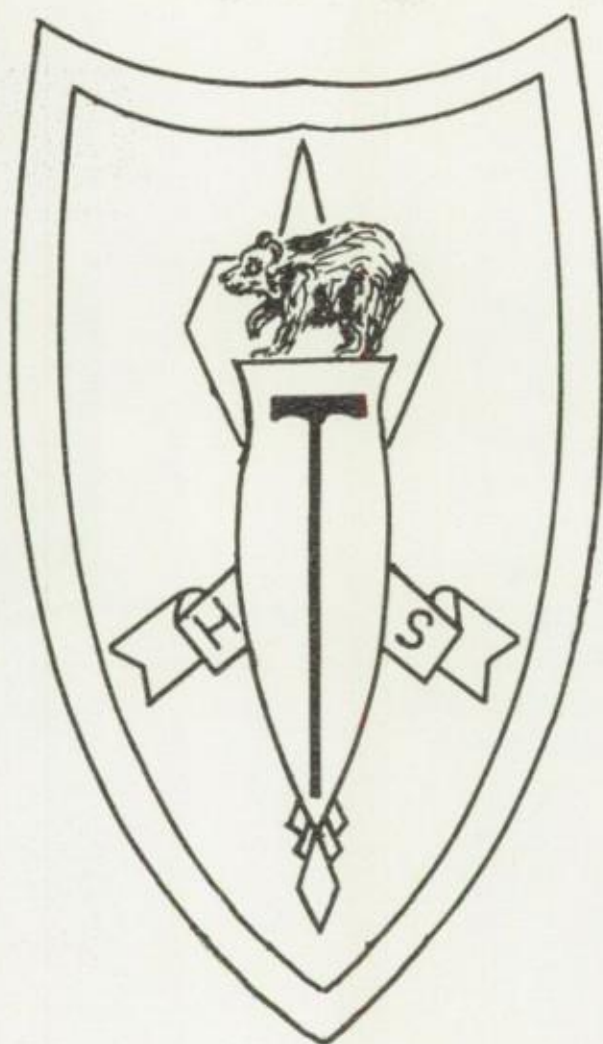

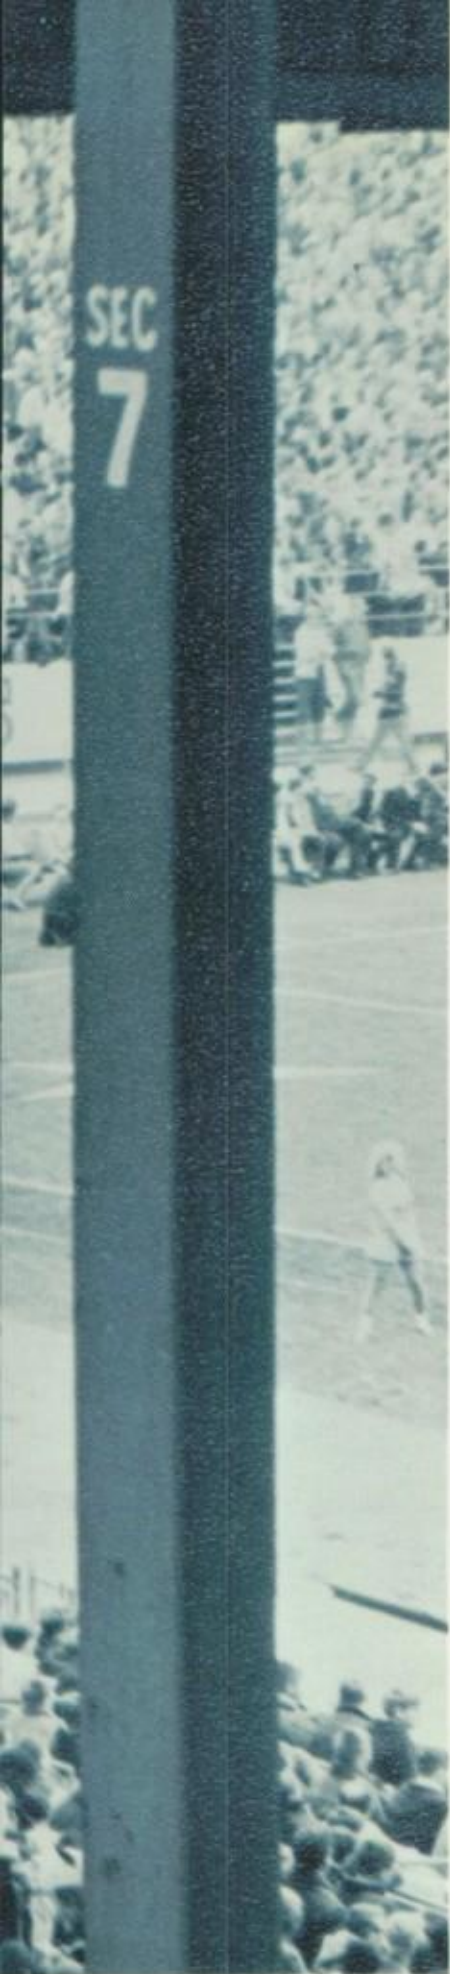

Editor-in-chief Jon Johnson often pauses for times of thought and concentration when laying out a page or approving the work of the entire staff.

THE COACHES

Building winning teams is only a part of a coaches job. They are also constantly trying to build the character of their athletes and to create a good competitive spirit.

These coaches put in many hours of hard work in training the boys for the best teams possible.

This year at Turner Sherm Price was head football coach and golf coach. Head cross country coach was Bruce Bowman. Gerald Shoemaker headed the basketball department with the assistance of Tom Train. The head wrestling coach was Gerald Haney and Winston Scott was his assistant. The track squad was headed by Joe Baker and his assistants Burley Martin and Dean Borchardt.

...WHO MAKE

An unidentified Golden Bear mows his way through the line during the game against the DeLaSalle Titans. Maneuvering for a block is Rick Fauser (65), as his teammate is brought down. Turner won 16-14 on Pettey's field-goal.

Les Bohrer (42) crashes through the Bishop Miege line for yardage. Standing by on the play is Terry Manis (64) and Boyd Gates (57). Turner nearly won the game on a last minute interception by Pettey but tied the Stags 0-0.

IT POSSIBLE...

In other action against the DeLaSalle Titans, Turner Star Half Back Ron Hall rumbles for a 60-yard gain. With the strength of this running and the field-goal conversion by Pettey, Turner won 16-14 over the Titans.

Mike Stober races down field on a punt return in the Shawnee Mission West game at Turner. Trying to block Mike's pursuer is Don Helmick. Turner's Golden Bears routes the Vikings 19-6 on the Turner gridiron.

A Bishop Miede player makes his cut around the right flank of the Turner Golden Bears line. As was usual throughout the game, the Stags drives were not very long. The game ended in a 0-0 tie.

Turner Bear Mark Schnieder, throws a block at his DeLaSalle opponent as Les Bohrer carries the ball through the Titans line. Number 82 is Dennis Vanderpool, who after finishing his defensive moves also threw a block to hlep for the T.D. Turner won on a Field-Goal by Gene Pettey.

UNDEFEATED...

Shown here is something that makes it possible for every football team to be assured of success. A percentage of three to one will keep any team from gaining any large gain.

A Rosedale Wildcat tries in vain to bring Turner's Ace End Frank Stankiewicz, after quarterback Pettey through a perfect pass to Stankiewicz. Frank then ran 20-yards for the touchdown. The play covered 60-yards. Such play by Pettey and Stankiewicz and the rest of the Bears enabed the Bears to score their second 41-0 defeat of the second against E.K.L. schools.

E.K.L. CHAMPIONS

Immediately after Turner's first and only loss (S-M North), the Bears went about the task of totally ravaging everybody in the league as well as all other opponents. The season was complete with Gene Pettey's total of over 1,000 yards rushing in his High School career, to the two Bear romps of 41-0 (Bonner Springs and Olathe). The other numeral in the Golden Bear standings was the tie which Turner unfortunately ran into in the game with Bishop Miege. There is some speculation as to how well the upcoming Bears will have with their new coach, but with this upcoming potential, Turner looks good for continued success in their E.K.L. Reign.

In appreciation, the football team presented Coach Price with a plaque engraved in his honor.

J.V. BASKETBALL

The 1966-67 Junior Varsity Basketball team ended their season with a 6 win and 10 loss record. They managed to score 822 points to their opponents 873 tallies. Ron Lowe led in scoring with 152 points to his credit. The leading rebounder was George Allen with 129 caroms. The J.V.'s show promise for next years Varsity squad with Ron, George, Bob Howard, and David Atkinson sure to be fighting for top spots. Other Junior hopefuls are, Gary Anderson, Bill Gerber, David McGowen, Lowell Davis, Larry McGregor, and Kenny Feaster.

Featured Stars of the J.V. are Ron Lowe (right), and George Allen. These men lead the reserves in the most departments throughout the season.

Lowell Davis shoots for 2 points as George Allen and Gerald Graham get set for the rebound. Action took place in the opening game of the season.

The Turner 1966-67 J.V. Squad. (Horizontal row) Steve Howard, David Atkinson, Ron Lowe, George Allen, and Kenny Feaster. (Verticle Row) Gary Anderson, Bill Gerber, Lowell Davis, Larry McGregor, and David McGowen.

SOPHOMORE BASKETBALL

The Turner Sophomore's, winning first again, went through a near perfect season. Their only loss coming in the first game of the year as they dropped to S-M West, who combined J.V.'s as well, to beat the Bears 57-52. They went from this defeat to beat everybody from every Shawnee Mission school to all the E.K.L. ones. Also getting the best record in the Kansas City Area. The cubs had a winning average of 27 points a game, their smallest win was 15 points and their largest was by 50. Leading scorer was Mike Lyons followed by Stan Frownfelter. As for the future, a lot can be expected from these boys and a lot will be accomplished.

Pictured above are the two sophomore's who most greatly helped the Turner Cubs to their one-loss season. Mike Lyons, lead in points, and Stan Frownfelter, who lead in total rebounds and second in total points.

Sophomore Basketball players are third row; Tom Arnold, Bob Kant, Steve Post, Clyde Thurman, Stan Frownfelter, Steve Cook, Bill Broyles, Ralph Wallace, second row; John Hart (trainer), Darrel Folin, Roger Barnett, Chuck Reade,

Rodney Guy, Tom Miller, Gene Richard (manager), first row; Mike Lyons, Dan Helmick, Wake Baker, Bob Harbour, Leslie Taylor, Mike Engleman, and Bob Keck.

WRESTLING

This year marked the third excellent season for the Turner Wrestling Bears. The captain was Calvin Guy, Senior.

Overall, they grappled to a successful season with a record of five wins, four losses, and one tie. They sent three men to the Regional Tournament; Rick Marts, Mitch Strader, and Clyde Powell. Marts went on to the State Tournament and took second place. He then went to the Missouri Valley AAU and was champion.

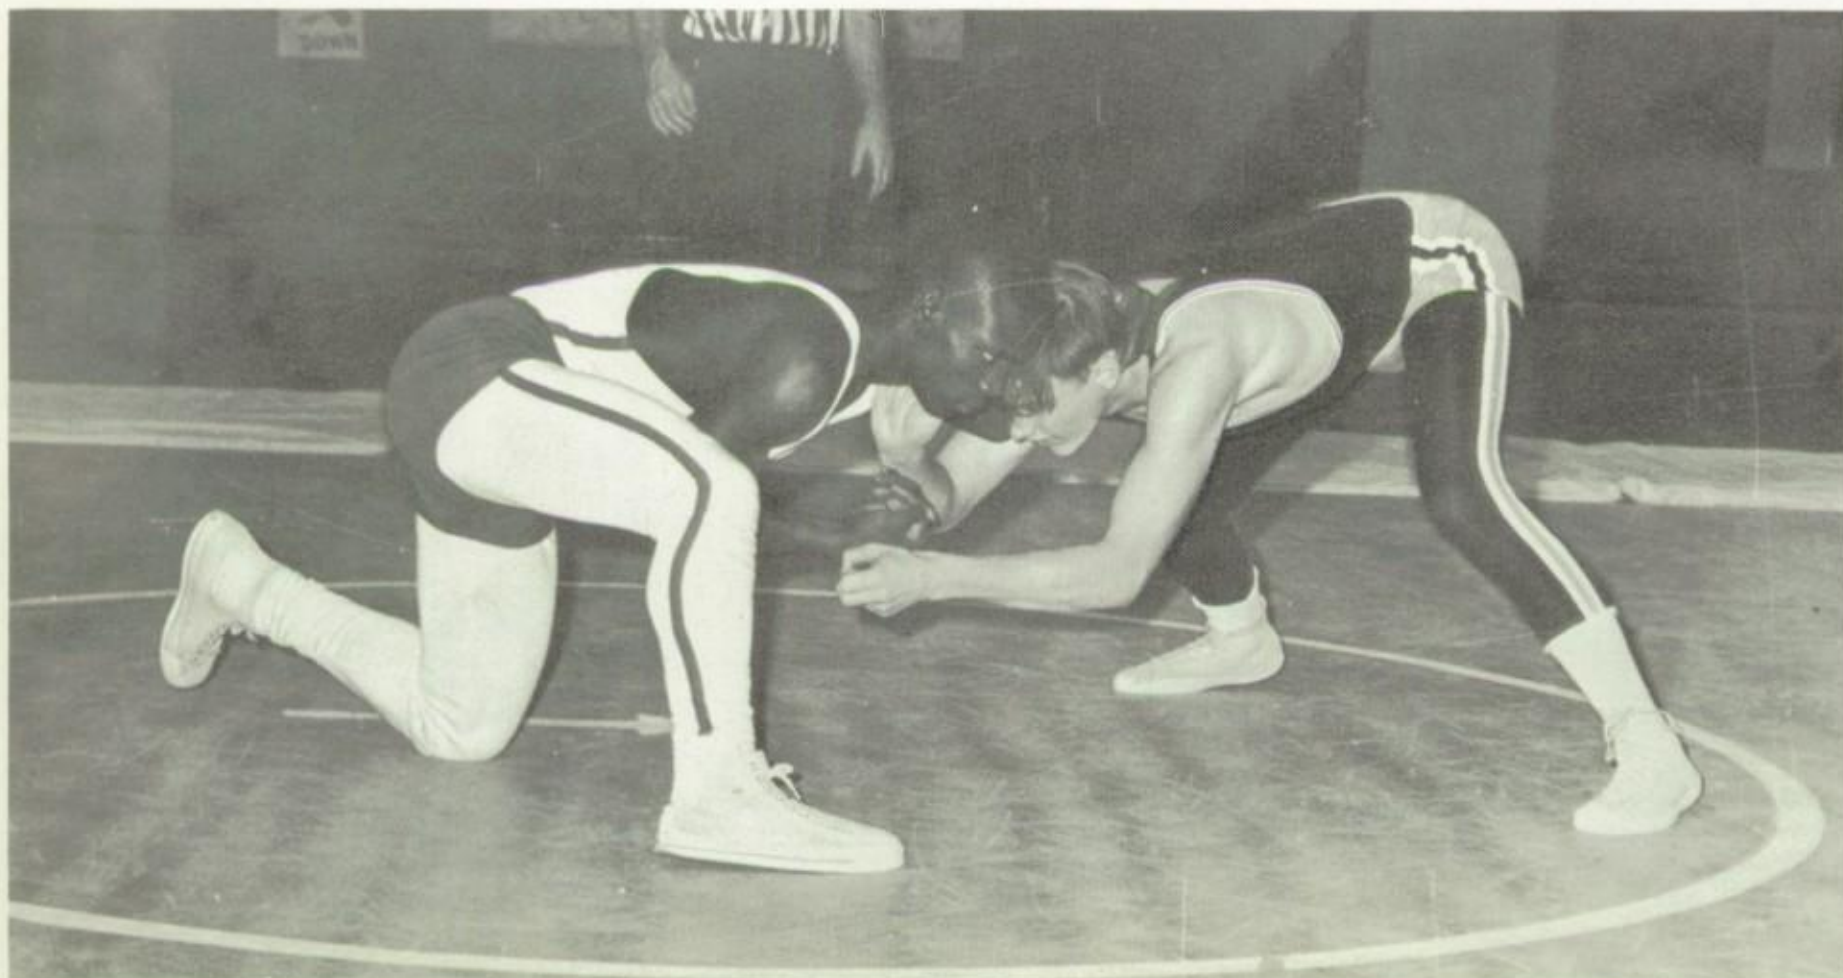

In the EKL Tournament, Turner had two champions (Rick Marts, and Calvin Guy) and five runners-up. There were three individual champions at the "A" Team Tournament at Olathe. Turner took second place with a score of 82 to 83.

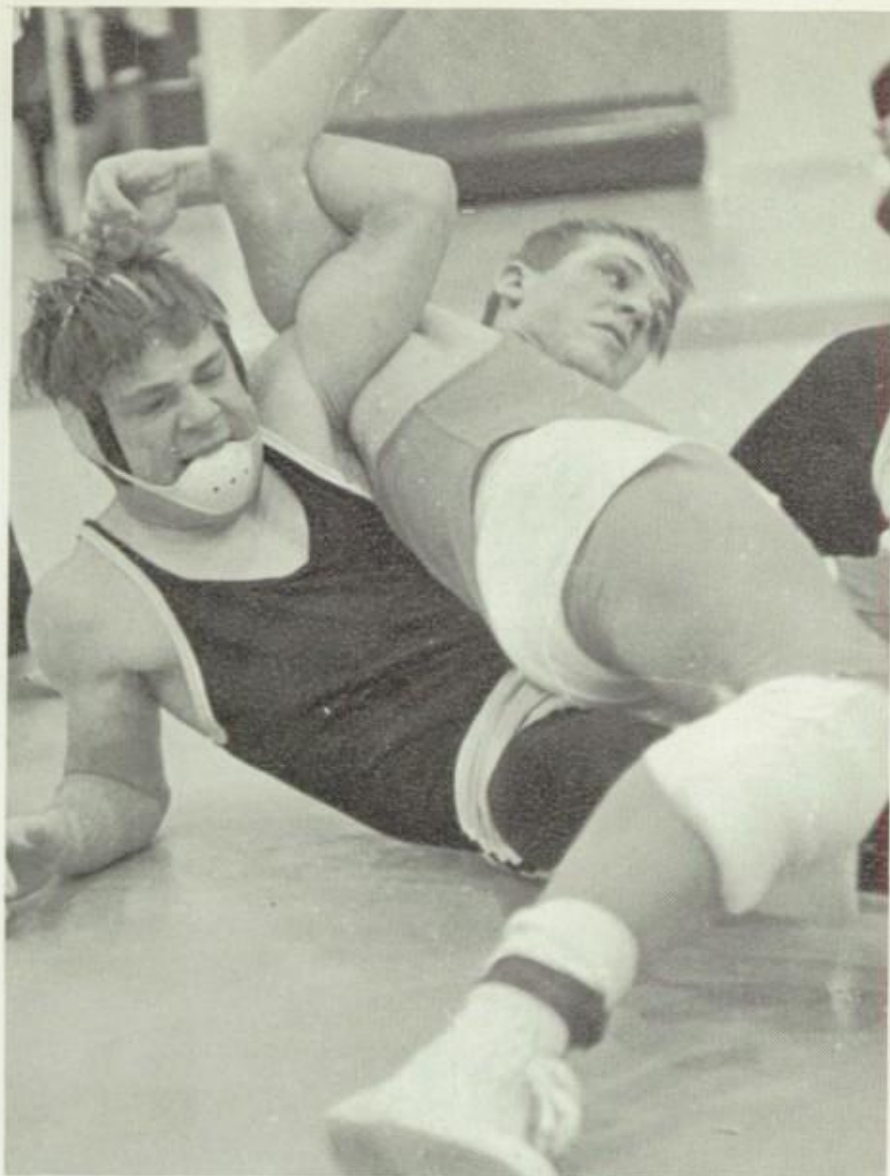

Turner grappler Bill Perkins has a "chicken wing" on his opponent and is positioning himself for the take-down.

Clyde Powell, 138 pound grappler, takes on his opponent from Washington High School. In their manover shown here, Clyde is going for the "take-down". In the "tie-up", which

is the first move for a take-down in this situation, either wrestler could take over. Clyde won his match on the "Half-Nelson" type Pin.

Turner Wrestling Bears Captain Calvin Guy moves in an attempted reversal of his opponent. Calvin was forced to use the maneuver after being on his back which was not very often for the celebrated Bear.

WRESTLING

Turner's Star Grappler, Rick Marts, went all the way to the State Tournament with an unblemished record of 22-0.

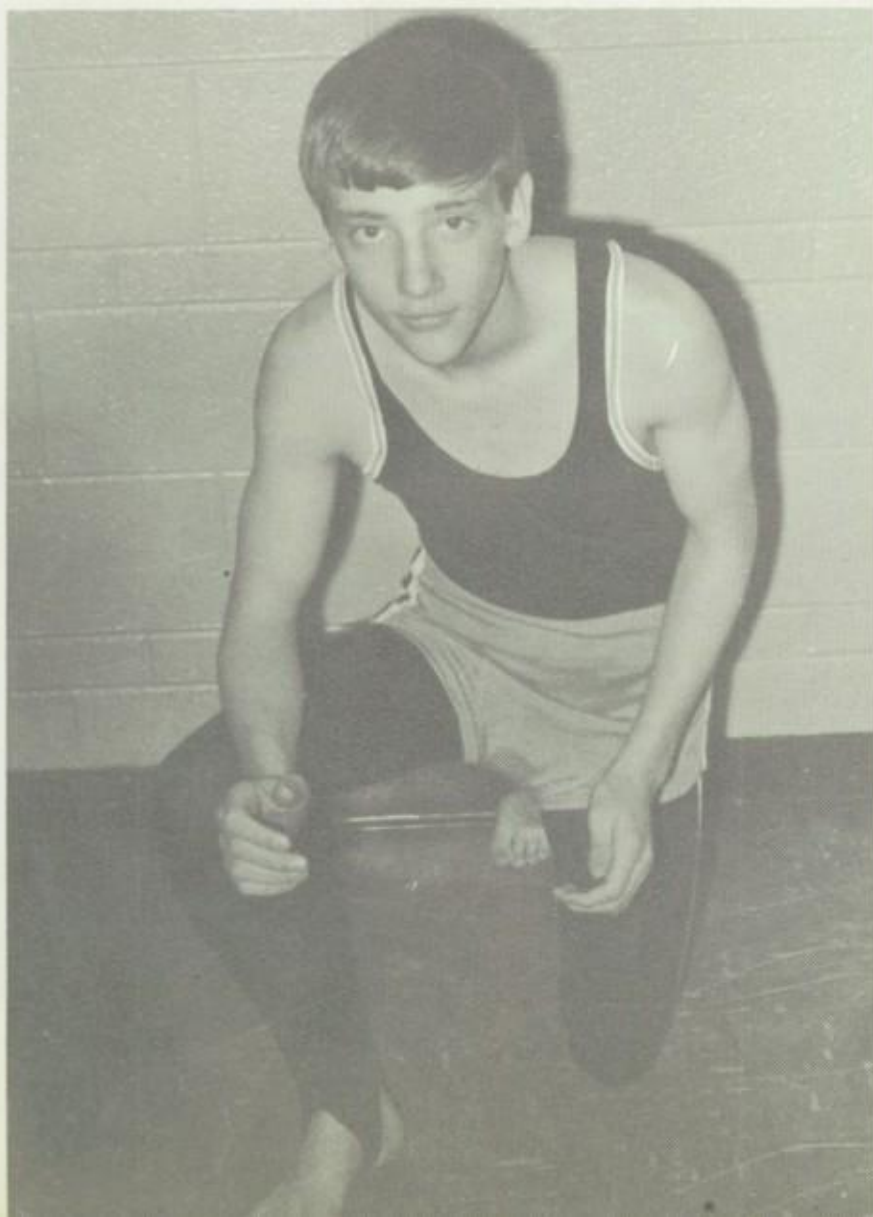

Rick continued his winning streak through the state preliminaries and semi-finals at Hutchinson. During the finals he was defeated by his opponent from Campus High School of Wichita. Rick's defeat was the result of a 15 second riding time; which gave his opponent the extra point to win.

Rick's loss encouraged his determination to capture the title of the AAU Missouri Valley Championship.

Rick will undoubtedly keep his record down to one defeat as he continues to wrestle next year.

Displaying seven of his wrestling medals, Rick won high honors by winning his largest medal at the AAU Missouri Valley championship in the 103 lb. weight division.

Here Rick demonstrates one of many positions in wrestling which enabled him to win many matches and weight division championships.

CROSS-COUNTRY

Having four returning Varsity Lettermen and two other returning J. V. Lettermen make the Varsity, Turner ran to a second consecutive year as fourth in the E.K.L. The 1966 Edition of the Harriers had its own "celebrity" in T.H.S. Cross-country captain Bill Moore. Bill won three meets individually. The Golden Bears also featured Larry McGregor as the only sophomore to return on the Varsity. The Bears suffered only one injury, in the early part of the season, Don Fisher pulled a muscle but still gained his Varsity Letter. In this sport, the individual has to run 2-Miles in the meet and usually runs six miles a night during regular practice with the season lasting a little less than three months.

Turner's expert hurdler Gene Pettey clears the last hurdle in the 120-yard high hurdle race at the Pittsburgh Relays. Gene beat his opponent from Parkview by .1 second. His fastest time was 14:3.

TRACK

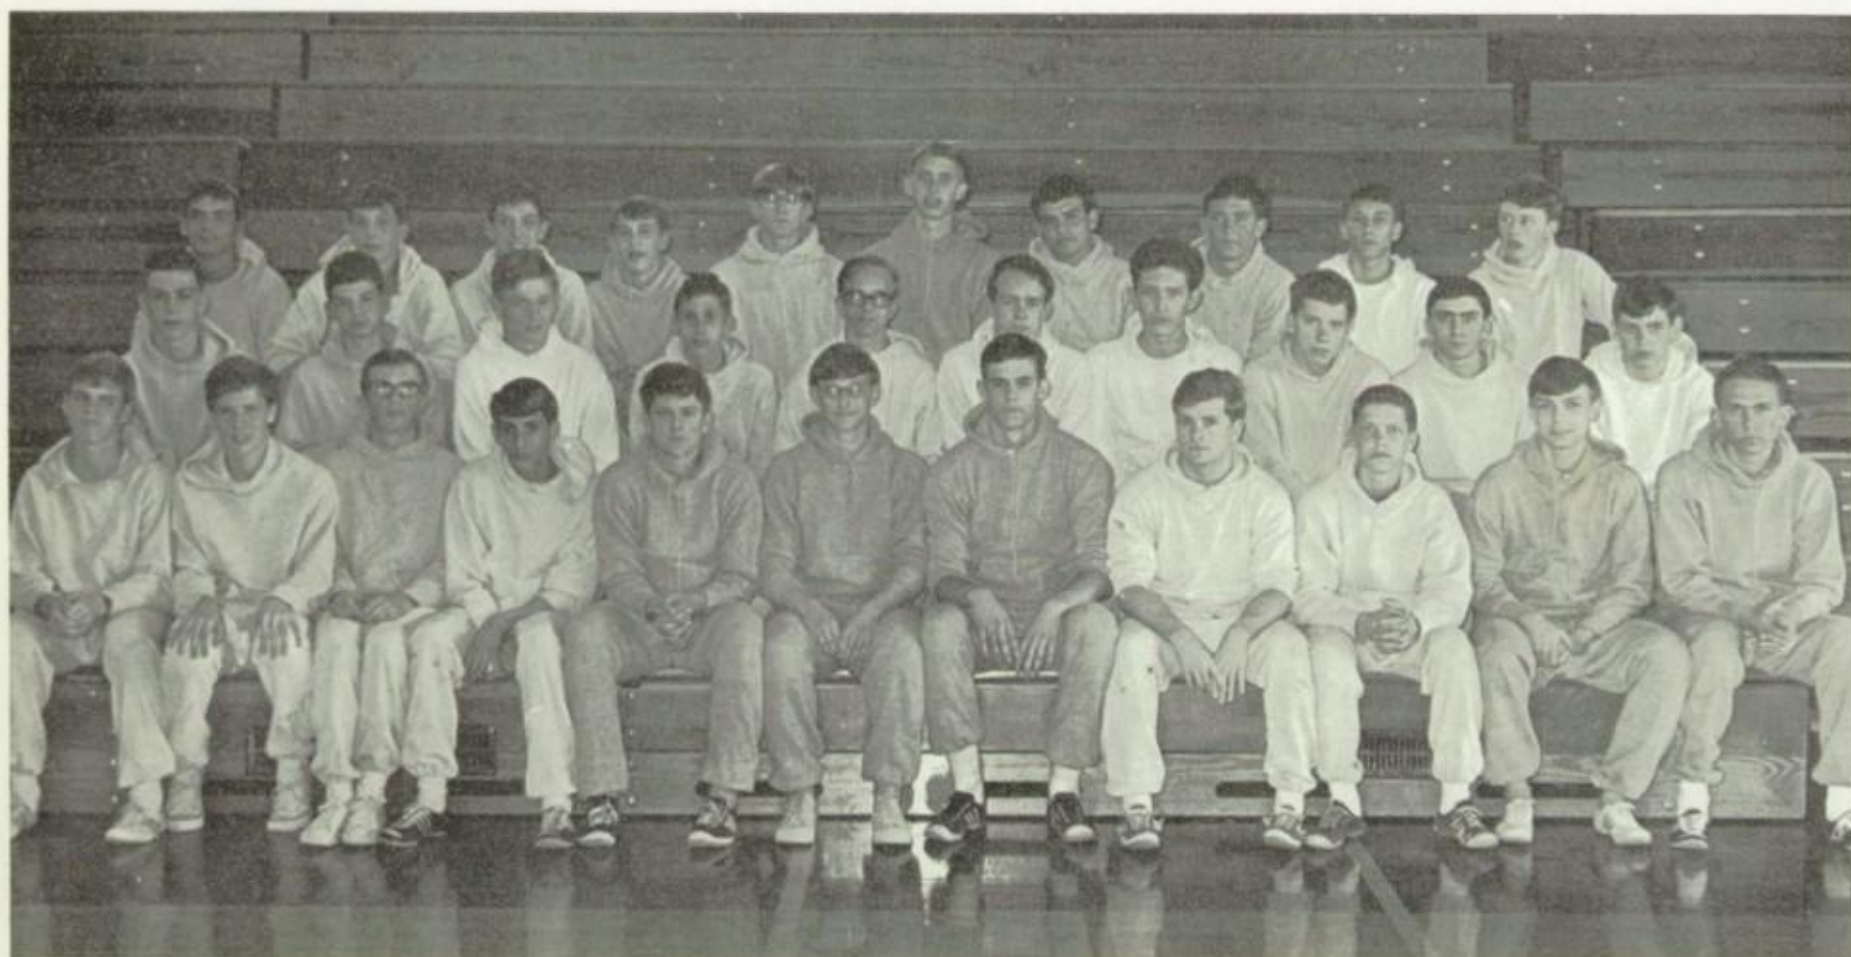

Turner's marvelous running Bears found the exact moment to combine its drive and win seven first places out of a possible 17 to take an unprecedented 2nd place in the E.K.L.

Throughout the year, speculation was announced that Turner could only get third, but double winners Gene Pettey and Mike Kelley started things off as Jim Gladieux won the Shot Put, Terry Manis won the Discus, and the relay team of Eldon Becker, Larry Wheeler, Gary Heatwole, and Bill Moore won the Medley Relay. Pettey won the 120-High's and the Long Jump, while Kelley won the 100-yard Dash and the 220-yard Dash.

Two records were broken this year, the 120-High Hurdle with a 14.3 timing, and Mike Kelley in the 100-yard Dash with a 10.2.

The runners are: (first row) Mike Bessey, Steve Kibbee, Charlie Justice, Terry Mast, Jim Hanson, Mike Kelly, Gene Pettey, Nick Heidrick, Terry Precht, Gary Anderson, Eldon Becker. (Second Row) Mark Matney, Tom Miller, Joe Barclay, Pete Horton, Gary McGuire, John Gill, John

FACULTY

SCHOOL BOARD

Direct Educational Program In District

The Board of Education of the Turner Unified School District #202 is responsible for organizing and coordinating the efforts of Turner High School, Pierson and Highland Junior High Schools, and five elementary schools.

With the School Board meeting regularly to discuss goals and educational plans for the district, Dr. Sanford Witter, as Superintendent of schools, guides and leads the educational program of the Turner Unified School District. With the two Junior Highs well under way in their second year of operation, Turner Unified School District #202 is greatly enriching their educational program.

Dr. Sanford Witter fulfilled his fifth year as Superintendent of Schools for the Turner District.

1966-67 School Board, left to right: Dr. Sanford Witter, Mr. Wallace Smith, Mr. James Stirling, Mr. Joseph

Steiniger, Dr. Lee Rook, Dr. Aubrey Gentry, Mr. Harold Cook, Mr. Fred Rosenau, Mr. Howard Miller.

OFFICIALS

Assist School Board In Operation Of District

Mr. Miller, Asst. Superintendent, keeps a busy schedule keeping faculty informed on current meetings.

Assisting Dr. Witter as superintendent of schools, for the past three years, is Mr. Howard Miller.

Mr. Miller employs and assigns the professional personnel and other school district staff members. He also takes care of the Inservice Education of the faculty of the school district. Another special feature of Mr. Miller's job is the direction of the curriculum and district improvements.

Mr. Miller is also the director of the teachers workshops. Workshop discussions are aimed at improvements and advancements in the field of education and at specific advancements and improvements in the various departments of OUR school district.

Mr. Palmquist executes one of the duties as director of the Project which fulfills many district needs.

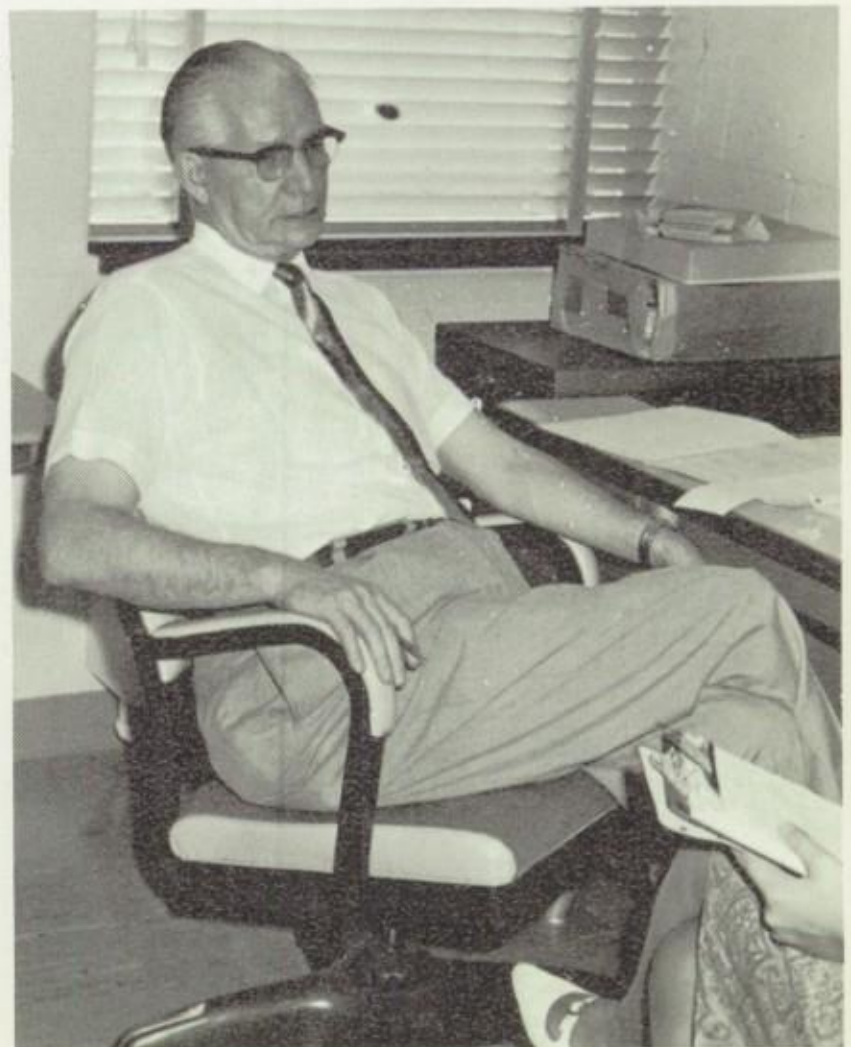

Promoted As Director Of Data Processing Projects

Mr. T.R. Palmquist is now in his first year as a new director of Data Processing and Federal Projects.

During the 28 years, Mr. Palmquist was principal at Turner over three thousand young people graduated.

Although he finds his new job very interesting, it is not quite as much fun as working at T.H.S. He still feels himself to be a large part of the Turner Bears.

His new position involves two major fields. He is in charge of Data Processing and Federal Projects and will probably take over any research which must be done. Not only is Data Processing becoming an essential part of office work, but it is a new challenge for Mr. Palmquist.

PRINCIPAL

Principal Leads In High School Progress

Leading our new administration and our always improving school is a competent and personable Principal, C. Dabney Lawhorn.

Mr. Lawhorn graduated from Parsons Junior College and received his B.S. in business administration at Austin College. He then acquired his M.E. in public school administration. Kansas State College of Pittsburg and the University of Kansas are other schools where Mr. Lawhorn did additional graduate work.

In his first year as principal of Turner High School, Mr. Lawhorn has deservedly earned the respect and admiration of the students and faculty alike. Mr. Lawhorn summed up his views of Turner when he remarked, "We have one of the best faculties of any high school and an excellent student body."

Despite his many activities, Mr. Lawhorn finds time to watch his student body participate in athletics.

ADMINISTRATORS

Carries Responsibility For Teaching, Grading

Serving in his first year as Vice Principal, Mr. Allen Brown seems very pleased with his new position. He has taught at Turner in previous years in the Social Science Department as an American History teacher. Mr. Brown was notified of the new position the first of August.

For the last sixteen years Mr. Joe Baker has taught Physical Education at the high school. Three years before that he was an American Government teacher.

Mr. Baker is serving in a new position this year also. He is the administrative assistant for the high school. He is also acting as athletic director for the district and head track coach for Turner.

Mr. Joe Baker

A new face in a new place represents Mr. Joe Baker as he executes his duties in the new attendance office.

GUIDANCE

Help Students With Problems and Programs

There were three guidance counselors this year at Turner High School, each one had the responsibility of testing, counseling, and guiding every student in school.

Mrs. Martha Eisele, Senior counselor, is very well informed on college qualifications, admission, and scholarship procedures. She is also the Director of Guidance of the Secondary Schools in the Turner Unified District 202.

Mr. Gerald Haney, Junior counselor, has been counseling for three years now. Besides counseling he teaches Psychology and is assistant football coach and Head wrestling coach.

Mrs. Jeanne Doxee, Sophomore counselor, is in her first year of counseling here at Turner. Mrs. Doxee also teaches a Vocations class.

Distracted while making inquiries in the office, Mr. Haney expresses surprise.

Mr. Gene Bell and Mrs. Eisele discuss the guidance problems of the Turner School District 202.

Miss Doxee is enjoying her first year as counselor for the Sophomore Class.

Keeping health records constitutes a large part of the duties executed by Mrs. Creek, school nurse.

Between the covers of every book lies a world of knowledge awaiting those who would only grasp it. Students of Turner need to look as far as their own school library to find such books.

The library also makes an excellent study hall as all materials are close at hand. Acting as an aid to many students, Miss Keitha Peterson has helped with many personal projects of the students.

NURSE-LIBRARY

Tend To The Daily Needs Of High School Students

In a time of modern medical miracles, students are still in need of a good school nurse to tell them they are fine, and able to go back to class. Mrs. Pauline Creek, Turner's new school nurse, does just this and also keeps records of each student. She often administers first aid for minor ailments and refers students to family doctors for more serious illnesses. She performs one of the much needed services to add to school life at Turner.

A serious-faced Miss Peterson listens quietly to a student in need of materials for a term paper.

ENGLISH

Training Improves Communication Skills

The requirements for graduation remain the same as the years before in the English department--three general English courses, and one selective.

The general English courses are English I, II, III. These are centered around the study of great literature, such as the novel Great Expectations, taken up in the English I classes. The Students in English II study Silas Marner, and the famous play Our Town is one of the features of English III.

The fourth English credit is a choice between Journalism Speech, Dramatics, Creative Writing, and English IV, for those who plan to attend college.

The Journalism classes consist of Junior Journalism, Senior Journalism, and Yearbook. These classes spend their time preparing the Booster and the Turnerite for publication. And, as in the Junior Journalism class, they study the fields of Journalism in general, acquiring a useful background in newspaper and magazine work.

In the Drama class, students look into the Theater, its history and principles. The students practice the art of acting by performing in minor skits and plays throughout the course.

The Speech class deals with the principles of public speaking. The students study speeches for almost every occasion.

Mrs. Leonard is caught red-handed by the staff photographer as she prepares to rob the teachers' mailbox.

LANGUAGES

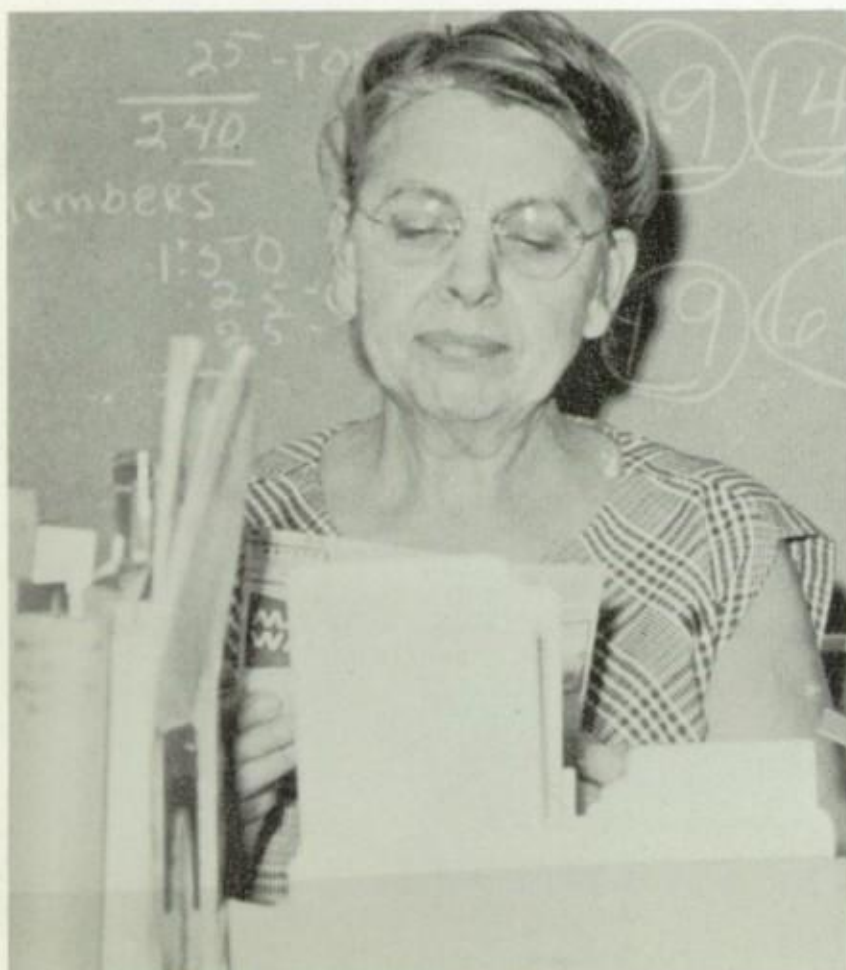

World Widens Through Language Programs

Today, more than ever, people of the world need to be able to communicate and understand each other. It is essential for students to learn as much foreign language as possible.

Turner offers three foreign languages in its curriculum: Latin, French, and Spanish. Latin is the basis of the English language, while French being one of the more prominent languages spoken in the world. Spanish has been added the last three years. Each language is offered for three years, except for Spanish which is for four.

Students are encouraged to broaden their knowledge by taking advantage of the opportunity to learn about other people of the world by studying their foreign languages.

Mrs. Grey checks for materials she might find useful for her Latin class or club.

COMMERCE

Courses Suggested To Compete In Modern Life

After graduation many students will go out into the world of business with its demanding efficiency. All students, including those who are college bound, need some business education to compete in the world today. To prepare future secretaries and executives for this busy world, Turner offers many fine courses in the business field.

Bookkeeping, typing, office practice, business law, and shorthand I and II assist in the necessary training.

Business education provides a new beginning for many young Americans.

Miss Clark records grades from typing class as she prepares averages for the six weeks.

SOCIAL SCIENCE

World Responsibility

Created In Studies

Mr. Allen Brown, head of the Social Science Department, says that Turner's social studies courses are failing unless they "prepare students for effective citizenship."

Turner's Government and Sociology courses teaches students to be effective citizens. American and World History courses teach incidents of the past, so that as citizens of tomorrow, they will be better able to meet problems of the future. Also in the program are Psychology and International Relations which enable students to glimpse the world of human interaction.

These students span the range of social relationships, whether in the past or present, international affairs, or in our own city.

FINE ARTS

Add Cultured Element To Student's Lives

The Music and Art Department have added much spirit to Turner this year.

Students shared in the enjoyment they received from the musical assemblies and other performances provided by those enrolled in the music department headed by Mr. Erdman Johnson and Mr. Wayne Hamilton. Handel's Messiah was presented for the eighteenth time at Turner. The Choir also presented the musical, "The Music Man." Mr. Hamilton has lead the Turner High band during Pep Assemblies and during half-time at the home football games.

The Art Department, headed by Mr. Gary Marquardt, has shown great skills. "A picture is worth a thousand words" not only to Art students but it has also been proven to all students who have seen some of these drawings.

Another Messiah is on it's way to success as Mr. Johnson rehearses with the choir.

Mr. Marquardt is busily working on his schedule for the next school week.

Miss Grosdidier ponders over a question asked in her homeliving class.

Girls hope someday to be good wives and mothers. This is where Turner's Home Economics Department helps. A girl must first realize the importance of the role in life she has chosen for herself. She will want to fulfill the responsibility of keeping up a home, caring for children, and of being an interesting individual to the best of her ability.

Home Economics prepares young women for this responsibility. Turner provides excellent equipment for these classes so that girls will learn to be an experienced homemaker.

Turner offers Foods, Clothing I and II, and Home Living. These courses are respectively taught by Mrs. Jane Beilstein, Mrs. Raedell Poling, and Miss Rosemary Grosdidier.

Miss Beilstein looks worried. Could it be someone is burning the morning bacon.

SCIENCE

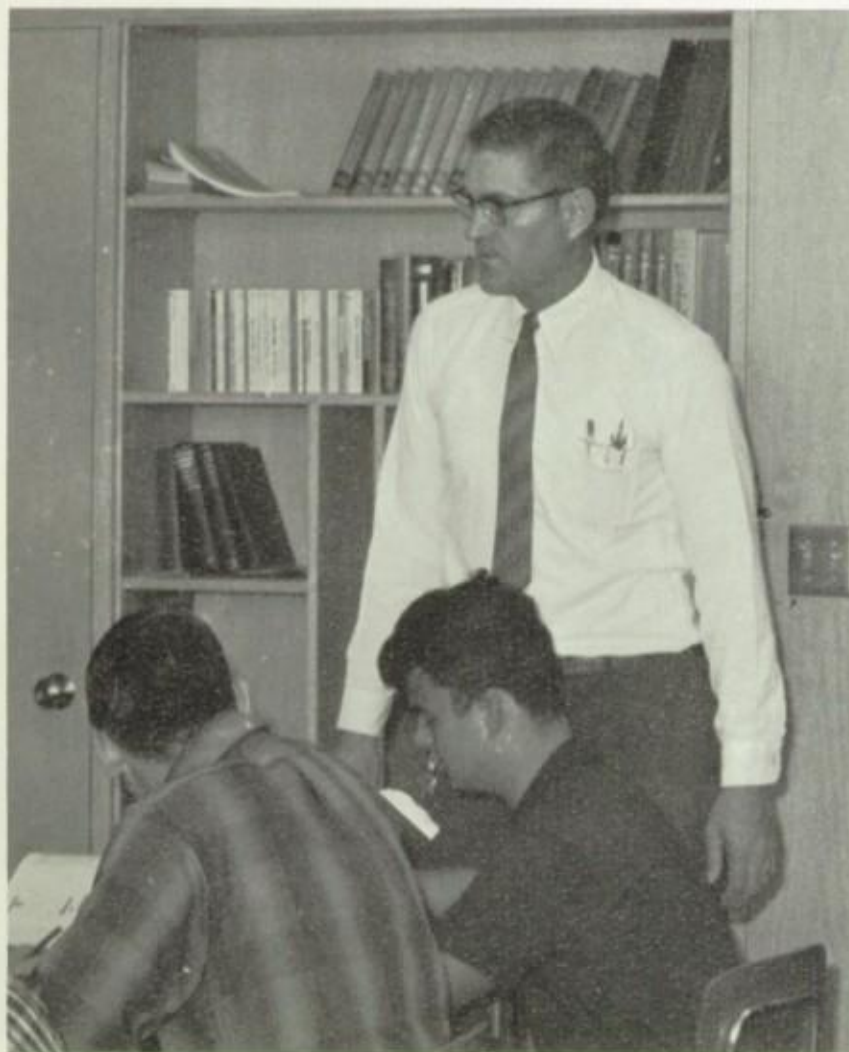

Laboratory Provides Research Opportunity

Science is one of the most talked about subjects in this day and age. In our time everything is based on such things as space, the atomic bomb, and nuclear weapons. The horizons of the space age are expanding and Turner is attempting to meet this challenge by opening up several fields of science so students can understand easier this scientific world.

In order to meet this challenge, Turner has improved the facilities and quality of our science education.

The Science Department offers such courses as Biology I and II, Chemistry, and Physics.

MATHEMATICS

Reasoning Ability Improves With Math

Mathematics has become one of the most vital and emphasized courses in school. It occupies a very important part of everyone's life. No one, regardless of occupation, can live without it. It teaches a student to think and reason for himself, which as an individual he must learn to do. To achieve these needed goals, Turner's math courses provide for college and general living.

The Math courses offered this year at Turner were: Algebra I and II; Advanced Algebra, Geometry, Practical Math, and Senior Math which includes Trigonometry, Calculus, and Analytical Geometry.

Math teachers were Mr. Hubert Waugh, Mr. Vernon Allison, and Miss Shirley Coffin.

INDUSTRIAL ARTS

Basics Introduced In Industrial Classes

High schools of today are doing everything possible to prepare students for a prosperous and full life after graduation. This not only includes college preparation, but also development of certain skills and abilities which may aid a student in selecting a vocation. The purpose of industrial arts is to give valuable training to boys who are interested in the industrial field as a possible vocation or as a hobby.

Turner has well-equipped shop areas which give students opportunity to work with up-to-date machinery and gain actual experience through their work. Courses offered in this department are printing, auto mechanics, general shop, metal and woodworking and mechanical drawing.

Through many years of experience, Mr. Ashby can expertly show shop students the use of machinery.

PHYS. ED. Prepares The Student For Future Athletics

The demand for physical fitness in today's world makes it necessary for every school to provide physical education in its curriculum. At Turner this demand was met by requiring one year of physical education with an additional two years offered as elective.

Several programs were offered for intramurals. There was bowling, volley ball and gymnastics. New equipment was received in the form of golf clubs. A change was made in this year's uniforms. Instead of the traditional black shorts and white blouses, the uniform was a one-piece white gym suit.

Turner has a real interest in its students and has met its demand by providing physical education.

PERSONNEL

Change Is Evident

Among School Personnel

The students of Turner are dependent not only on the teachers but on the many workers which include the office workers, cafeteria ladies, custodians and bus drivers.

The office has taken a change for the better this year. For the first time the attendance office is separate from the main office. The new office is located in room 208. This is the place where students can pick-up their admits and tardy cards.

The office ladies are responsible for the many "behind the scenes" jobs that serve in keeping Turner in working order. They are in charge of selling school supplies and collecting money for I.D. and Senior pictures.

Iona Carmichael, personal secretary to the principal, performs numerous tasks in her busy schedule.

Vivian Lewman, financial secretary, helps the student body and faculty in her vast job of keeping records for Turner High.

Despite her many duties as a member of the office staff, Eileen Taylor poses for a picture with one of her frequent smiles.

Mary Lou Pullium works only part-time in the high school office, but she performs many duties which extend time allowed for others.

The ladies who prepared meals for approximately 1000 Turner High School students in 1966-67 are left to right: back row; Chessie Evans, Marie Neumer, Margaret

Lohrey, and Mildred Keller. Front row; Ruth Adams, Ruth Lynch, Cordelia Crummet, and Mae Vallis.

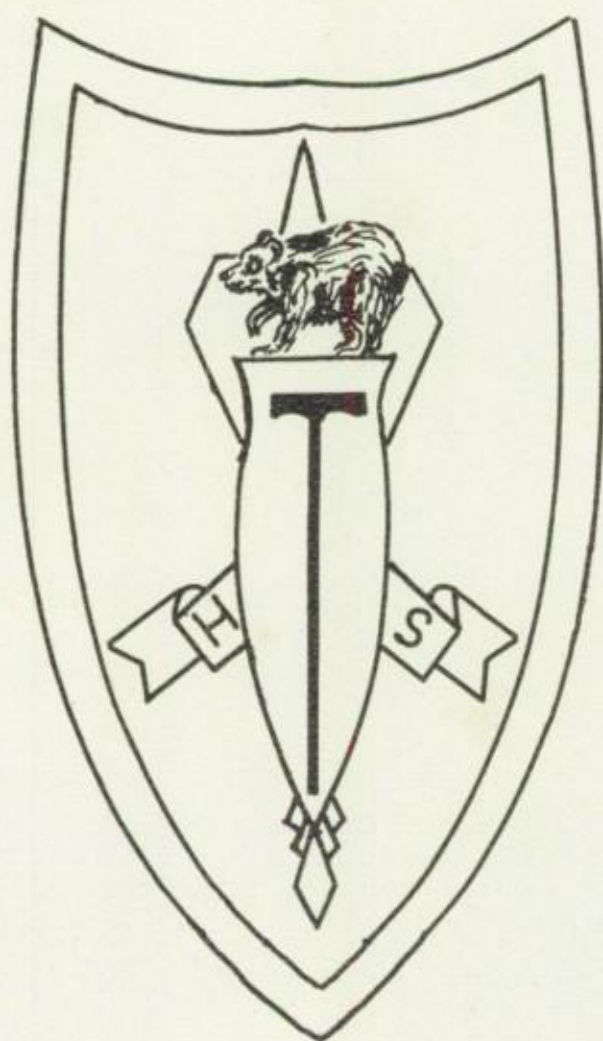

Rose Thomas, attendance assistant, files tardy and absence cards as a small part of her daily schedule.

Mrs. Pullium, Mrs. Carmichael, and Mr. Haney seem to be enjoying the usual peaceful, relaxed atmosphere of the office.
